Dr. Wilfred Grenfell,
St. Anthony, Newfoundland.

My dear Dr. Grenfell:

Let me acknowledge receipt of your letter
of July 12.

I will consider it an honor to be regarded
as a patron of the lectures which you are to deliver
in the Polytechnic Hall in London on your work in
Labrador. I sincerely hope that you meet with a great
measure of success.

With kindest wishes always, I am

Ever yours faithfully,
