Stockers and feeders are fully 75c to \$1 per cwt. cheaper than they were a short time ago.

in order to accommodate its increasing regular Fall and Winter patronage, and also those Americans and Canadians who are prevented by the European war from being abroad, will keep both the Marlborough side and the Blenheim side

of the house open this winter, instead of closing one side during November and December, as heretofore.

This will enable the supplying of a PRIVATE BATHROOM with hot and cold salt and fresh water with every room, and for these bathrooms no extra charge will be made during the Fall and Winter Season. WINNIPEG GRAIN MARKET.

WINNIPEG, Nov. 5.—The opening was strong on the Winnipeg market, caused by higher Liverpool cables and British millers buying heavily. Wheat prices were 1/3c to 1/3c higher, and flax 1/3c to 2/3c higher, and flax 1/3c to 2/3c higher. Following the opening there were further advances to the extent of 1/3c to 1/3c, which placed May wheat about noon at \$1.25 with the undertone strong. The heavy primary receipts in the south and receipts from the Canadian west tended to hold prices steady. The export business continues decidedly active and overnight offers were accepted this morning.
