PROVIDENT LIFE ASSURANCE COMPANY, OF TORONTO, C. W.

LIFE ASSURANCE AND ANNUITIES.—ENDOWMENTS
FOR CHILDREN.—PROVISION FOR OLD AGE.

CAPITAL £100,000. } PAID UP £11,500.

THE PROVIDENT LIFE ASSURANCE AND INVESTMENT COMPANY is now ready to receive applications for Life Assurance in all its branches, and for granting Annuities.

The Directors of the "Provident" are determined to conduct the business of the Company on equitable principles; and, while using every necessary caution in the regulation of their premiums, will give parties assuring every legitimate advantage to be attained by a local company. Having every facility for investing the funds of the Company at the best possible rates of interest, the Directors have full confidence that, should the duration of Life in the British North American Provinces be ascertained to be equal to that of the British Isles, they will be able at no distant day to make an important reduction in the Rates for Assurance. Till that fact is ascertained they consider it best to act with caution.

With regard to the "Bonuses" and "Dividends" so ostentatiously paraded by some Companies, it must be evident to every "thinking man" that no Company can return large bonuses without first adding the amount to the Premiums: just as some tradesmen add so much to their prices, and then take it off again in the shape of discount.

Tables of Rates and forms for application may be obtained at the Office of the Company, 54 King Street East, Toronto, or at any of the Agencies.
