

# NARROW GAUGE CARS.

## YORK CAR WORKS,

(ESTABLISHED IN 1852.)

### **BILLMEYER & SMALLS,**

YORK, PENNA.,

**Builders of Narrow Gauge Cars of every description,  
including Hand, Push and Mining Cars.**

In addition to our Large Freight Car Works, we have added a department for Passenger Cars, and are now building

#### **FIRST-CLASS PASSENGER CARS,**

Of the best workmanship and of the finest finish, also Second and Third Class, at *very low prices*, specially suited for short and cheap Narrow Gauge Roads.

**Up to this date we have furnished Rolling Stock for  
over Thirty Narrow Gauge Roads.**

The location of our works is most favorable for shipment from the

***Ports of New York, Philadelphia and Baltimore.***

The cars can be constructed in sections, may be entirely completed before being packed for transportation.

**NOTE.**—THE PEACHBOTTOM NARROW GAUGE RAILWAY, beginning at York, Pa., being in practical operation, persons desirous of examining a Narrow Gauge Road and its equipment, can do so by calling on us, where they will find our cars in daily use, it being only a few hours' ride from New York, Philadelphia and Baltimore.
