What can Woman Do?  
Large 12mo., - - - - \$1 00

"Our purpose is to show, in a series of life-pictures, what woman can do, as well for good as for evil. We design to bring her before you as a living entity, that you may see her as she is, and comprehend in some small degree, the influence she wields in the world's progress upward, as well as her power to mar the human soul and drag it down to perdition, when her own spirit is darkened by evil passions."—*Extract from the Preface.*

The Good Time Coming.
