MINISTERS TOO HASTY IN TYING LOVE KNOTS

Many Runaway Couples from U. S. United in Welland and Lincoln—Assessment Troubles.

HAMILTON, Sept. 27.—(Special.)—A gentle hint to the Anglican ministers in the Dioceses of Welland and Lincoln, to be somewhat more circumspect in performing marriages of couples coming to them from the United States, was contained in the report of the committee of the state of the church at the synod this morning.

The report points out that nearly half of the marriages solemnized in the whole diocese were performed in the two dioceses mentioned, which lie immediately along the international boundary line, and which have served as the "Greenhorns" of sleeping Americans.

The committee reported that 478 families had been added to the diocese, bringing the total membership to over 17,000 souls, and the total of communicants to nearly 14,000.

Judge Snider this morning began hearing the evidence in the assessment squabble among the Wainwright County townships.

Half of the desired 300 new memberships to the board of trade were reported to have been secured, when the committee met at the luncheon today, and there is no doubt that the other half will be easily secured this week.

Mr. Borden gave a cordial personal tribute to the splendid energy and vigor which Sir Wilfrid Laurier had displayed in the struggle. He spoke in praise of Sir Wilfrid's career in Canada and agreed with Sir Wilfrid Laurier that there were laurels still to be won by him in the empire.

The growth of Canada would proceed upon autonomous lines. In the development of the empire no dominion would be called on to surrender any powers of self-government, but progress would be made in the organization of trade and defence.

ST. CATHARINES, Sept. 27.—(Special.)—The downfall of reciprocity was celebrated in this city this evening, when Conservatives from every part of Lincoln County, united in holding a monster demonstration. It took the form of a mammoth parade, which was the largest ever seen in this city in years.

Over 1000 torches were distributed to the enthusiastic crowd. Four bands, including the 10th Regimental Band, the 15th Bugle Band and Pife and Drum Band, furnished music.

It is estimated that a couple of thousands from this city attended, and as large numbers from Niagara, Queenston, Grimsby, Beamsville, Meriton, Port Dalhousie, Niagara Falls and Wainwright.

After parading the streets the walk-ers wound up at Montebello Park, where brief speeches were delivered by E. A. Lancaster, chairman of the anti-reciprocity movement, and other members of parliament.

Special trials were run from various parts of the county. Several thousands who did not take part in the parade witnessed the celebration and crowded the streets and the park till late in the evening.

Ennell, Whose Evidence is Wanted in Italian Murder, Now in Cells.

Roseni Ennell, 78 West Gerrard-street, one of the witnesses in the murder charge still pending against Frank Russo for the death of Giocchino Cice at 40 Agnes-street Good Friday night, was surrendered to the police at the Agnes-street station last night by Joseph Izzo, 98 Elm-street, his bondman, who declared that he feared that Ennell was about to quit the country.

Ennell had \$118.20 on him when he was given up. He is now being held as a material witness, and will be kept in custody until the trial at the coming assizes.

EARL GREY WILL RETURN TO CANADA

Continued From Page 1.

Canada; Sir Sanford Fleming, Senator Edwards, and C. Garlice, Argentine consul-general.

Sir Charles Fitzpatrick proposed the toast to his excellency and expressed his pleasure and regret in so doing, terming Earl Grey as the guiding pillar and friend of the Canadian Club members.

In conclusion he made happy reference to Sir Wilfrid Laurier and R. L. Borden. He congratulated the people of Canada on their good fortune in having as leaders of the opposing parties, men whose characters set them so high a standard of example.

Sir Wilfrid Laurier in responding to the toast of Canada, remarked that his party had for fifteen years been in the ascendency and it was now the will of the people of Canada to change their allegiance. He had no fault to find, no complaint to make and he accepted the verdict. Parties might come and go, but Canada would live forever.

He concluded by suggesting that Mr. Borden invite Earl Grey to visit Canada on completion of the N.E.R., for the purpose of travelling on the first train to be run from Halifax to Prince Rupert.

Mr. Borden gave a cordial personal tribute to the splendid energy and vigor which Sir Wilfrid Laurier had displayed in the struggle. He spoke in praise of Sir Wilfrid's career in Canada and agreed with Sir Wilfrid Laurier that there were laurels still to be won by him in the empire.

STOCKHOLM, Sept. 27.—The elections for the second chamber to-day, the first held since universal suffrage and proportional representation were introduced, show a notable accession to the strength of the Socialists.

Re-turns from 204 out of 230 seats, give the following results: Right, 61, left 87, Socialists 56, Premier Lindman, Re-former Staaff, who is also leader of the left, and the Socialist leader, Brant-hing, were all returned for Stockholm.

The newspapers predict a new ministry under Staaff. The rights declare that they will not enter the new cabinet.

DIED FROM BLOOD CLOT.

An inquest was opened at the morgue last night into the death of Thomas Keys, who died in the Western Hospital Tuesday night, after being found unconscious upon the car tracks just below College in Bathurst-street, that morning.

A crossing sweeper swore that he had seen a motorman pick the man up and carry him over to the curb, where he was turned over to the police.

Dr. McConnell, who performed the post-mortem, said that he had found a blood clot on the brain due to disease and not to violence. The inquest was adjourned to have the motorman present.

SOME FINAL RETURNS.

OTTAWA, Sept. 27.—Ed. Kidd, the successful candidate in Deton, has received complete returns from all but two polls, which give him a majority of over 1000, and doubling Mr. D. McLean's vote with 100 to spare.

Information from Wright County shows Mr. E. B. Devlin's majority to be 1316 over Mr. Louis Cousineau, the Conservative candidate.

UNFINISHED CIRCUIT RACES AT COLUMBUS

Atlantic Express and Chatty Direct Win Trots at Columbus Left Over From Tuesday.

COLUMBUS, Sept. 27.—A heavy down-pour of rain spoiled what promised to be the most interesting afternoon of racing at the fall trotting meeting here to-day. The first event was the deciding heat of the three-year-old trotters in the Horse Review Futurity. Margaret Parish, Atlantic Express, and Mainnet, each had won a heat Tuesday. To-day Atlantic Express won easily with Mainnet second and Margaret Parish third.

The Golden Butterfly was ably handled by Shuttler and beat the hot choice, Edda, in the mile for four year olds. Ontario, Lightfoot, made the early pace and dropped back to third, the field nowhere.

Next in the feature race, the Stanley Produce Stakes, with five starters out of the original 25 entered in 1908. Havrock was backed as if it were all over, but he is still a King's Plate eligible. Muagrave took the Segrain colt out to make the pace and avoid the mud and he was good for the task.

The steppes was a pleasant spectacle, the three jumpers staying up and well together the first turn of the field, with Thistledeed leading and Meryman second. Prince Hampton moved up one at the end of a mile and gained at every fence on the leader.

Beaoup won the Voltigeur Plate, 134 miles, at his own rating. He stayed beside the pace for 8 furlongs; and then went out for the coin. Spellbound slipped by the string Question Mark for the place, with Seconke ready to jump into the show in a stride or two.

Madrigan made his own pace in the closing event, winning as his pleaser. He moved up coming home for the place, Martin W. Littleton third, the field ten lengths back.

The Epsom and Minor handicaps and the Brockhurst steeplechases are the features for to-day.

The following races close at the office of the clerk this course, Woodbine Park, Thursday, Sept. 28, at 12 o'clock noon: Thoroughbred, Brock Purse, Havrock Purse, Foreman Purse, A.V. Handicap, cap, selling, \$600 added, for 3-year-olds and upward, one mile, to be run Saturday.

POWDERMAN GALLOPS IN STANLEY PRODUCE

Havrock and Four Other Favorites Finish Second on Heavy Track at the Woodbine.

Not one of the seven favorites finished worse than second in the heavy going yesterday at Woodbine Park, but five of them were beaten. Tinsand in the second and Beaoup in the sixth were the only first choices to score.

The feature race of the day, the Stanley Produce Stakes, resulted in a genuine surprise, Havrock, that was played for more than half the pool, being soundly beaten by Powderman.

Ben Loyal got going in the mud soon in the first race, but he was not touched. Mexana, the favorite, just as easily second and Carrillon ahead of Serventore for the show.

Tinsand, well played favorite, took the lead cleverly in the second, and then tipped his field. Monsieur X, tired himself chasing the leader and gave way to Miss Joe at the pay station.

ROYAL CHANGE TO BUY A KING'S PLATE WINNER

MRS. LILY LIVINGSTON has assigned to us for sale AT THE WOODBINE TRACK, ON SEPTEMBER 28TH, at 12 O'CLOCK Noon, the entire produce of her thoroughbred stock farm, near Cobourg, Ont., including:

"KING CASH"—Son of Bowling Brook (conqueror of the \$75,000 Hamburg in the Belmont Stakes of 1898), and Alcyone II. (dam of the stake winner Kingslip); and

"LILBURN"—Son of Loco-hatches and Miss Lois, and half-brother to Cadman, who won in England, running one mile in 1:33 1/4, will be auctioned without reserve to the highest bidder; with yearlings by Stanhope II., who is a son of Fortis II. (brother to Persimmon and Diamond Jubilee, Derby winners, and sire of Volodovski, Derby winner of 1900), and King's Daughter.

These yearlings are from mares especially selected at Ranocosa Farm and brought to Canada.

Mrs. Livingston's reason for selling is that she is barred by the Racing Association of Canada from participation in races restricted to horses bred and owned in Canada. It is Mrs. Livingston's desire to have the horses sold from her Cobourg place fall into the hands of enterprising and competent Canadians, eligible to enter in the Dominion and Province bred races.

Further particulars of breeding may be obtained at the box office, which will be conducted by MR. GEO. FITCH of Hamilton.

Baseball Gossip

Two seasons of the Eastern League directors held in Rochester composed of President Barrow, Jack Dunn and Chas. T. Swannanoa, announced to the newspaper men that after playing to-day, two days' lay-off will be taken before the resumption of hostilities. On Saturday the league will play at Baltimore. Sunday's game will be at Newark. After that, remaining games, if necessary, will be played on the grounds of the pennant-winners.

The managers were in session extraordinary a long time for the little business transacted, leading to the supposition that they were not unanimous in agreeing upon the future dates. It is understood that President Chapin of Rochester was opposed by the other six. Mr. Chapin says the latter of two games in Rochester, two on foreign grounds and return to Rochester on successive days, but that he is not in agreement with the other managers. President Barrow said after the meeting that he was for the players.

Mr. Barrow announced that he had not received a formal reply to the Eastern League's petition for concessions that will give the organization better standing in the baseball world, but that he had been assured that favorable action on that communication will be taken. He said that he would call a meeting of the league as soon as a reply had been received.

President Ebbett of the Brooklyn Baseball Club announced that William F. Dahien had signed a contract to manage the Brooklyn team next year. It is understood that the contract was for a year.

President Navin of the Detroit Baseball Club announces the release of eight players, but that he will call a meeting of the league as soon as a reply had been received.
