GENTLEMEN.—

I have been a great sufferer from nervous dyspepsia, with the usual symptoms of stomach weakness, loss of appetite and flesh, accumulation of gas, sour risings, and heartburn. I used various patent medicines and other remedies without any favorable results. They would give temporary relief sometimes until the effects of the medicine wore off, but Dr. Ward's Blood and Nerve Pills overcame all these obstacles. I am better in every way now and have gained several pounds in weight.
