flagraton at St. Marys.

Toronto, June 10 .- Fire broke out in the lumber yard in rear of W. H. Ferguson's carpenter shop, Wellington street west, yesterday morning, and did damage to the extent of \$3,000 or \$4,000. No insurance. St. Marys, Ont., June 10.-Fire broke out yesterday afternoon in the resi- tion, and in consequence the duke is dence of Mr. James Moore, street west, doing considerable damage. dors and ministers in Madrid. Loss probably \$1,000. Cause, burning sulphur for disinfection. Hurtsville, June 10.-A frame tenement house on Center street was al- the under secretary of state, to proceed most completely destroyed by fire at once to the Austrian capital. yesterday. The contents were saved.

The building was owned by W. Randelson. Loss about \$600. CANADIAN OIL FIELDS Good Output of the "Greasy" Secured

in Lambton. Dutton Advance: Alex. Crane is pumping the well on his farm. The oil, which is an excellent lubricator, is being put in five-gallon cans for the convenience of farmers, threshers and mill

From present indications an excellent well was struck by the Elginfield company on Wednesday. While drilling the suddenly dropped a foot in the rock, breaking the rods, and immediately oil rushed to within 35 feet of the top of the well. The company are pumping their wells

on the Smith farm day and night, Sundays included. It has been found necessary to keep the pumps going on Sundays in order to keep the water as low as possible. Two teams are kept busy drawing the oil from these wells. Petrolia Topic: Mr. James McFall's No. 2 on the McDonald farm was struck on Tuesday and is a fairly good well. The Union and Gas Company's well No. 2. on the Mitchell farm, is showing five or six barrels a day. Mr. John Adams moved his drilling rig yesterday to the Mitchell farm for the Union Oil and Gas Company.

GENERAL. New York, June 10.-A dispatch to the Tribune from London says: The trouble in filling the vacancy for the vice-royalty of Canada. Numerous candidates for the succession, but the appointment has been made. The good liary cruisers, and 3,700 troops is under ation of the whole English speaking was, however, an accident on board that Lord Wolseley is the man who position. Nothing has yet appeared in print about it, but it may be stated with the utmost confidence that overcrown is not in the habit of offering appointments for high places until the willingness of those proposed for preferment to accept honors is ascertained. There is adequate reason to believe that Lord Wolseley has been approached and asked whether he will accept the post of governor-general of Canada, and that he is now considering the expediency of accepting it. He now occupies the post of commander-inchief of the army, and is the man best fitted by experience and military capability for retaining it. He would also Canada of exceptional prestige and auordered to make the best terms he can with Admiral Dewey. A minister has night attack on the American fleet by a brillant successor to the long line

patch boat Dauntless, off Santiago de | be a candidate for governor-general of trated by the vigilance of the New Or- the attention of Canada and America, the border. At the same time it would create a vacancy in the office of commander-in-chief, which the friends of Lord Roberts would like to have their especial favorite fill. Lord Wolseley is at once a soldier and a diplomatist, equal to any work which he may be called upon to perform, but Lord Roberts is a soldier only, and a very ambitious one. Lord Wolseley is now in his 66th year. If he decides to accept the offer, which has undoubtedly been made, he will retire from the army and devote the remainder of his life to official work as governor-general and to the completion of the memoirs which

he has long desired to write. CABLE NOTES. Gallician emigration to the Edmonton district is again assuming large proportions. This stason's numbers will be 4,000, of an excellent farming class, mostly with capital. Other
