

# Shaw's Mighty Bat Wins Game For Toronto

## Note and Comment

The performance of the Toronto ball team on opening day served to satisfy the fancy. Indeed the players look good at least for the first effort. They were a little timid at the bat early in the game, Vickers holding them hitless for four innings by little more than working the ball and keeping a mixed delivery high.

Of the new men, Shaw naturally made a favorable impression by his effective stick work, though he fanned first time up and batted safely his last three times, sending three runs with his homer and scoring the winner in the ninth. Rudolph also leaned up against it, and besides pulled off two fast pieces of heady baserunning.

Little Fitzpatrick looks a good all round man. Deal's weakness is an inclination to telescope himself while at bat and hit under the ball. Delahanty showed slugging ability at practice, but pulled away from the plate in the game.

Vaughn has improved. He looks stronger than last fall, having apparently grown some during the winter.

Vandergrift's backstopping left nothing to be desired. McDonald is up to his former good standard. Grimshaw had an off day, though the Oriole captain displayed his feat when Vickers was ordered to walk the champion in the sixth with two on and two out.

Altogether, anybody who has seen Kelley's team and understands the game, must admit that they have class.

As President Powers says, the Eastern League teams are well balanced, so the visiting Orioles scored 12 out of 10 on opening day. Outfielder Goode, last season with Cleveland, displayed his marvelous speed in the eighth when he almost ran the grounder to the pitcher, but the time before he went to sleep at first base as McDonald fanned, while the best Delahanty could do was to whiff, making a very weak return.

Then the crowd, 18,867, official, and the bleachers, only half filled. No wonder McCaffrey paraded in his gloves all afternoon.

The delaying of receiving entries for the different Ontario Jockey Club stakes excepted, little of the all are well filled. Even the King's Plate has 18 that are still eligible, and the race less than two weeks away. The Toronto Cup, with 40 of the best horses in training, came near being the classic event of the year on this continent. Look at the horses in the cup, Hildreth's son, Schrieber's three, Jack Aldin-Bourque, Fred's winner of the Jacksonville Derby. The splendid list is all the more gratifying from the fact that not an entry was canvassed, and also it is a credit to the many nominations that arrived too late.

Owing to the King's death the Dufferin Driving Club postpones their matinee this week.

Jack Woods of Upper Canada College is coming out as the promising hit of the year. Last Wednesday he hit 45 against Stanley Bracken and on Saturday against Rosedale he made 56, U.C.C. winning the latter match by 146 to 27. U.C.C. also played a second match on Saturday, losing to the Rosedale Reserves, 36 to 51.

## JACK JOHNSON BEGINS TRAINING FOR THE FIGHT.

SAN FRANCISCO, Cal., May 9.—Jack Johnson to-day did his first training for his coming fight with James J. Jetties. Although there was no gymnasium work or boxing scheduled, a large crowd of spectators was attracted to the beach.

The heavyweight champion was out on the beach bright and early with George Cotton, Barney Furey and Marty Cutler, and the pace he set them for the twelve-mile run was such that Cutler dropped out long before they had gone half the distance. Johnson admitted when he returned that he guessed it was too long a trip for the first time, but he was not discouraged, and he would be on the road late in the afternoon and would keep up this program the rest of the week.

After luncheon he stripped down to fighting trunks to give the newspaper photographers a chance at him. A battery of eight cameras men was hard at work, and Jack talked good-naturedly to them as they made picture of him in every conceivable position. He stood just where they told him to stand, and posed as directed for more than half an hour.

Alto Johnson has not weighed since he reached San Francisco, he said that he thought he would weigh in at 226.

Those who watched him until the boxing was taken thought that he would strip considerably under that weight.

Boxing will begin Sunday afternoon, and thereafter for at least two weeks he will box Sundays, Wednesdays and Fridays. Later he will increase the boxing to four days a week, but says that right up to the day of the fight he will switch from sparring at least three days out of the seven.

"Personally I would be glad not to commence boxing for a couple of weeks," he said, "for I ought to know my condition, but the public demand it, and I will show the people just what I'm made of."

## 14,000 Fans See Leafs Win the Opening Game

A Defeat Looked Certain Till Shaw Tied it up in the Seventh With a Homer, Leafs Winning Out in Ninth.

No chilly wind or cloudy weather could mar the homecoming of the Leafs, for over sixteen thousand hungry baseball fans, the largest crowd that ever attended a baseball game in Toronto, crossed the city yesterday to give the Kellys a reception in their first game at the Island Stadium, and the Leafs proved loyal to their ardent supporters for just when the rosters had about given up hope the tide turned, putting us on even terms with the enemy, the Braves, winning out in a regular ninth-innings rally.

The opening ceremonies were short and sweet, the band and the players parading from the centre of the field to the flagpole, where Manager Kelley and Don raised the Union Jack to half-mast. At the plate, President Pat Powers of the Eastern League received a new ball from daughters of Eddie English and Eddie Durman, and after kissing them both he tossed the ball to Dick Rudolph.

Manager Kelley selected Dick Rudolph to start up the line for the Leafs, while Rube Vickers, a late relic of the Philadelphia Americans, was the mound list for the Orioles, and this game Rube had us all tied up in knots for five innings, only two players getting to first base and Delahanty in the first on a charity.

The Orioles drew first blood, Rube Vickers, the second batter in the third inning, knocking the sphere into the bleachers for a homer; but when Baltimore added two more in the sixth it looked all over but the cheering, especially as the Leafs in their half, after getting the first two men out, failed to score. But their time came later, while thereafter the Orioles never had a chance.

Shaw, the first two batters, singled, Rudolph, the third when Catie wandered away from the bag. Shaw pilfered second as McDonald fanned, while the best Delahanty could do was to whiff, and purposely passed Grimshaw, filling the sacks, and, also Fitzpatrick made a strong bid for a hit, Walsh took off his wallops.

Toronto tied up the score in the seventh, when after two hands were down, Vandy was passed and Rudolph singled, Shaw bringing them home with a mighty wall climb over the bleachers for a home run, followed with a single, while Delahanty fled to Goode.

Fitzpatrick got as far as third in the eighth, with two down, but Slagle just got to Vandy's bingle for the third out. "Count me out," Vandy, the first batter in the ninth for the Orioles, but Hall hit into a double-play, and Byers was an infield out. This made it up to the Leafs to win out in the ninth. Vandy and Rudolph failed to get on, but Shaw started the fireworks by hitting the pellet to center, he making second by fast base-running. McDonald was passed, while the first-base line that Clancy by a good stab managed to get to, but it glanced off his glove. He was then thrown out by first. However, Delahanty was there as soon as the ball, but to make matters worse he was thrown out by Vandy.

### Lacrosse Gossip.

From present indications, Toronto will be represented by two players in the S.L.T. this season. We all know that the Torontos are champions of the world, and the exception of last year, with the exception of West. Of the Torontos, some doubt was expressed as to their ability to be early in the season, but after last night's practice Manager Charlie Quirk stated that all is well and that now was a good point to play to sound out a champion team. McGregor reported yesterday, and says a fine lot of players, and the other Regina players, McDougall, the other Regina players, Charlie Quirk, Deal, Rudolph, Double, play Vandy to Vaughn; Fitzpatrick; Deal. Bases on balls—Ottawa 5, off Rudolph 4. Struck out—By Vickers 5, off Rudolph 6. Left on bases—Baltimore 3, Toronto 9. Umpire—Finnegan and Halligan. Time—2:10. Attendance—3,800.

**USED A CHEAPER WIRE BECAUSE IT WAS HANDY**

Weather Effects Caused It to Break—Interurban Co. Held Responsible By Coroner's Jury.

"We, the jury, find that Violet Harlock came to her death by coming in contact with an electric wire on Church-street, Mimico, on Saturday, April 30. We find the Interurban Electric Company, owners of the wire, guilty of negligence. We also strongly recommend government supervision of all power transmission lines."

The above is the verdict of the jurors at the inquest held at Mimico last night. Coroner Dr. Forbes Godfrey was in charge, and the crown was represented by Assistant Crown Attorney Louis Monahan, while C. F. L. Jones appeared for the company.

Philip Coe, lineman, employed by the Interurban Company, stated that this was his first experience with aluminum wire, but he thought that it was of equal strength to copper wire and, just as he was about to break down the wire, he saw it was broken close to the glass insulator.

W. Mitchell, telephone operator, employed by the company, stated that he had been notified that a wire was down at three minutes to 12 o'clock, but had not been told that it was a live wire.

Thomas Henry, chief electrical engineer of the Interurban Electric Company, admitted that the wire used was unsafe and was not the proper wire to be in use under the present circumstances.

He stated that this wire, which was used by the company constructed at the time the company constructed the line, but said that it was used by the company because it was cheaper. The weather had effected its strength and it had become weak.

E. S. Edmonson, managing director of the company, was called, and stated that the first report of the breakage had received was at 8 o'clock in the evening at Oshawa. He said that he considered the wire used quite safe and thought it was considered so by electrical experts—a fact that was contradicted by the next witness called, A. J. Edmonson, an electrical engineer of 15 years' experience. He said the wire used was, in his opinion, mechanically unsafe. He also said that in most cities of the United States, government inspection of power lines is the law.

my dear Watson," said the great detective, "that the aroma of the cigar which His Lordship was just smoking is peculiarly pleasing—mild, but having the true fragrance of the finest Havana. ## TAFT ENJOYED IT

Opened Actors' Fund Fair, While Show Girls Scattered Roses.

NEW YORK, May 9.—President Taft dared disaster this afternoon when he climbed upon a chair, the better to make himself heard and seen at the Actors' Fund Fair, which he formally opened at the 71st Regiment Armory.

But the chair held, and the president was hoarse from a cold, his voice carried better than the voices of the other speakers and his brief response to the address of welcome was loudly cheered by the player folk.

William H. Crane, the dean of American actors, presented the president with a gold medal struck in his honor. The speeches over, President Taft made a tour of the booths and looked in on the stage and society circles, stopping frequently to shake hands with actors and actresses. It was apparent that the president was enjoying himself hugely. He beamed upon the pretty leading women who hung about him as a reception committee.

Expected Satisfactory Railroad Bill. PASSAIC, N.J., May 9.—In a speech before the Passaic Board of Trade here tonight in which he discussed the legislative situation at Washington, President Taft declared with a great deal of emphasis, and amid an outburst of applause, that the railroad bill has not been emasculated in any way, and predicted that a satisfactory law would be passed.

The German navy will fire salutes during the King's funeral and officers will wear mourning for eight days.

## The Lucky Winners Of Two of World's B.B. Competitions

Two of The World's triple baseball competitions closed yesterday. Mrs. E. Lepage of 56 Shaw-street, wife of Mr. E. Lepage, manager of the merchant tailor firm of No. 165 Bay-street, wins No. 1, guessing the attendance at 13,867, the actual figures being 13,867.

Lepage proved a good winner, guessing astoundingly in the thirteen thousand, also being correct in a close second. John O'Connor, a member of the St. Nicholas Institute, No. 70 Lombard-street, employed with the Monarch Optical Co. No. 1 East Adelaide-street, wins No. 3. He is a ball player himself with the nearest guess, 13,867.
