SIMPSON

A New Trifold Coat

A coat that is just what its name denotes, three coats in one; so made that by slight re-adjustment the character of the coat is entirely altered, and appears like another coat. It is most comfortable in wear, as it can be worn either with a high collar or low turn-over collar; but whichever style you prefer, it is equally attractive, and very stylish; made in a finest finished all-wool imported serge.

Women's Strictly Tailored Up-to-date Suit, in all-wool serge, single breasted, with deep collar, edged with braid or satin, fastened with four novelty buttons, lined with silk serge; skirt made in appropriate pleated tailored fashion; colors are navy, metal, black and green. Price \$18.00.

A stunning Dress of all-wool Panama, one-piece style, fancy yoke of cream lace; waist and part of front panel smartly braided; the new side pleated skirt, black, navy and green. Good value. \$10.25.

Colors of navy and black, 54 and 56 inches long, semi-fitting, has velvet collar, corded silk buttons. Sizes 32 to 42. Price \$21.00.

Women's Skirt of fine all-wool Panama, has nine gores, slit seams forming pleated flounce effect around bottom; a well tailored and style model; colors are black and navy. Price \$5.50.

New Furs and Winter Novelties

Our showing of Women's Furs this season excels anything we have heretofore attempted. Our reputation for high-class furs is thoroughly established, and anything in furs, from the smallest neck piece to the most elaborate garment coming from Simpson's, is sure to be correct. Quality and style are the first consideration. We have been most fortunate this season in securing many novelties not shown elsewhere—there is an exclusion about them, and for style and finish they are not excelled in Paris or New York. Long-haired furs are most popular, fox, lynx and Alaska sable having the call, although mink, ermine and Persian lamb are in great demand. We are showing several pattern garments that will not be duplicated. Early buying of furs is always desirable, as the choice is then best.

- Handsome Black Fox Sets.
- New Black Lynx Sets.
- Elaborate designs in Alaska Sable Sets.
- Labrador and Fine Eastern Canada Mink Furs in new and attractive shapes, ranging in prices from \$50.00 to \$500.00 per set.
- Lovely Russian Ermine Furs, in new shapes, Scarfs and Muffs.
- Hudson Bay Sable Furs in new shapes.
- Alaska Seal, Persian Lamb, Hudson Seal and other Fur Coats, in all the new designs.

250 Highest Class Swiss Embroidered Robes \$5.95 At Quarter Price. \$5.95

Worth from \$18.50 to \$29.50

Trimming Department Main Floor.

We were fortunate this time last year in closing a wonderful deal with the best Robe manufacturer in Switzerland, cleared in one day.

Such Robes have never been shown in Toronto. For style and quality, it is a veritable triumph of buying. Every one of them advanced styles for next season, and no two alike. We cannot possibly give an adequate description of them, but just mention a few of the materials and styles: Shadow and open hand embroidery, in Madeira and Raydon Anglaise designs; all-over embroideries; ivory and colored crepe, with large coin spots, embroidered; black and white pin spot and striped muslins, that look and feel like silk; batiste, with hand embroidered spots; muslin, trimmed with Cluny, Irish and heavy purple laces; exquisite lawns, trimmed all-over with good German Vals and innumerable other styles and materials. Some of these will be shown in the windows, but every robe, whether shown or not, is a good one, and would sell ordinarily at \$18.50, \$20.00, \$22.00, \$25.00, \$27.50 and \$29.50.

All the New Corset Styles Are Now Here

The Corset Department cordially invites you to the first complete exposition of the new styles for the Fall season. Tuesday we will be ready with a showing of stylish and fashion-approved corsets the like of which even this store has never equalled before. The product of the world's famous designers of corsets have been most carefully examined by our experts, and only those models selected that conform to the mandate of fashion.

Good corseting means a great deal to every woman. Her corset is not only responsible for her figure, but also for her poise and her walk; and fatigue often comes from uncomfortable corseting. It takes more than good clothes to make an attractive figure. There must be lines to hang the good clothes on, and that is where our Corset Department can help. Forget the corset you are wearing if you have the least fault to find with it and come in and talk with our experts on the new form corsets for this season. These are here in models to suit and improve every figure.
