CLEVELAND, O., Jan. 11.—On account of the war Montreal has dropped out of the Grand Circuit, it was learned today at the annual meeting of the circuit stewards here. The two weeks usually allotted Montreal were split up between Cleveland and Columbus by the schedule committee. It was announced that war conditions made it inadvisable to hold a meeting in the Canadian city.

According to the schedule adopted today the circuit season will be opened with the meeting in Cleveland July 17, and will close at Atlanta, Oct. 16. The National Fair and Exposition Co. of New York was awarded the week of Aug. 28 tentatively, the stipulation being made that before the season opens assurance be given that the company will have leased a track. In case the company fails in this case J. Tranter, eastern racing entbisizst, has aggreed to stage the meeting either at Poughkeepsie, Roading or Dover. JUAREZ, Jan. 11.—The races here to-day resulted as follows: FIRST RACE—Three furlongs: 1. Juamita Frederick, 112 (Garner), 2 to 1, 2 to 5 and out. 2. Rondo, 113 (Lortus), even, 1 to 4 and out.

Ing either at Poughkeepsie, Roading or Dover.

Atter much discussion the recommendetion of the rules committee that three heat racing be made mandatory thruout the circuit was not adopted. The plan to provide a \$5000 troiting stake race for horses which have not won \$2000 gross was approved, but the recommendation for a \$3000 stake for pacers under similar conditions was rejected. The circuit stewards also rescinded the resolution adopted last year urging the American and National Troiting Associations to alter the win race rule.

The following schedule was adopted: Week of July 17, Cleveland; July 24, Detroit; July 31, Kalamazoo; Aug. 7, Grand Rapids; Aug. 14, Columbus; Aug. 21, Cleveland; Aug. 28, National Fair and Exposition Cc. (New York); Sept. 4, Hartiora; Sept. 11, New York State Fair (Syracuse); Sept. 18 and 25, Columbus; Oct. 2 and 9; Lexington; Oct. 16, Atlanta.

Stewards Meet at Cleveland and

J. W. Hedrick, who raced a medicore lot of selling platers, both over "the mile and half-mile tracks of Canada, is in wrong with the stewards of the Cuba-American Jockey Club. Hedrick is noted for running horses up in selling races and other tactics injurious to racing. At the opening of the Havana meeting Hedrick advertised that he had disposed of his fifteen horses to a company known as the Maryland Stables. Tips of the "get-richquick" nature were circulated, and finally reached the ears of the stewards, who notified Hedrick that unless he can give a satisfactory reply as to the running of

It will be remembered that last year "Bad Jack" (Cincinnati) Ryan entered the game on the "get-rich-quick" policy, but the stewards of the Canadian Racing Associations were not long in getting a line on him, and ruled him off. The Jockey Clubs are to a great extent responsible for allowing such people on the course, and those on the level who are connected with racing suffer by having to mix with undesirables.

Jack McCormack has succeeded R. C. Benson as trainer for the Idle Hour stable, owned by James Butler. McCormack handled several of the horses owned by J. W. Schorr, that raced on the Canadian circuit two seasons ago. The Butler stable is one of the best on the American turf. High Noon, Pebbles and Lost Coin are well-known performers in the Butler string.

Miss Louis Long's Waldorf-Astoria Cup winner, Realization, has been officially identified as the Canadian-bred hackney Modiste, by Warwick Model, son of Garton, Duke of Connaught. She was bred by H. F. Jackson, Breslau, Ont., and sold to Miss Long by Thomas A. Crow of this city.

Charlie Barrett, the Parkhill horseman, who always turns around the ice rings with a good one, has sold his crack trotter, Maggie Bond (2.174), to George Hance of Toronto, for \$2000, and the mare in England will hold their spring shows as usual this year.
