HOSPITAL ATTENDANT CHARGED WITH HOMICIDE

Winnifred Ankers Arraigned in Connection With Death of Eight Children.

NEW YORK, Feb. 24.—Winnifred Ankers, an attendant at the Brooklyn Nursery and Infants' Hospital, was arraigned to-day in magistrates court in Brooklyn, charged with homicide in connection with the death of eight infants at the hospital since Sunday. The woman's confession came after a grilling examination, during which she broke down when told that they would take her baby away from her if she did not tell the truth. The Ankers woman then told how the babies had been poisoned. In her confession to the police the Ankers woman said that she put two or three drops of oxalic acid in the bottles of milk prepared for the babies. She said she removed the stoppers of about 14 and dropped the acid in. There were 30 bottles of milk in the ice box and she was still dropping the acid in when she heard some one coming. She stopped for fear of detection. The Ankers woman is only 24 years of age and has been an attendant in the hospital for the last ten months, since her baby was born. She is an orphan and was adopted by a family named Ankers. Of recent years she is said to have lived a life of uncertain habits.

**PEERLESS MAN IN TOWN.**  
Mr. C. P. Cary, service engineer for the Peerless Motor Car Co., of Cleveland, is in town for the motor show, and will be here until it closes next Wednesday. Mr. Cary is very much pleased with the Toronto exhibit, and states he has never seen a city that offers such opportunities for the profitable employment of motor trucks in solving its hauling problems. His Master's Watch, NIAGARA FALLS, Ont., Feb. 23.—(Special).—"Schooner," a dog owned by

The matter was reported to the police and an effort is being made to locate the owner. Shortly after leaving the house this morning the dog returned with the jewelry between his teeth.

SATURDAY CROWDS AT THE MOTOR SHOW

Armories Thronged Afternoon and Night by Record Attendance—Military Band Concert Given.

Saturday afternoon at the motor show was a business session. Music was supplied by the Festival Orchestra, but nobody in particular had much time to devote to music. It was to see—to learn—to understand—that the crowds came, and they came and brought their friends. The main sale was thronged, while around each particular car all through the building, little groups of people were gathered listening to the agent in charge explaining the fine points of the machine. To a novice entering the armories for the first time since the motor show started, the scene resembles a section of the manufacturing building at the Canadian National Exhibition, but on a very much enlarged scale. The decorations are beautiful. One visitor, seeing the crowds thronging past him, remarked that well-to-do people were in the predominance, either those who were contemplating buying a car, or those with the idea of getting another one. Saturday night was military night, with splendid concert by the band of the Royal Grenadiers. An exceptionally large crowd was present, and all branches of the local militia forces were represented. Geo. A. McNamee, of Montreal, secretary of the Auto Club of Canada, was an interested visitor at the motor show on Saturday, having come up especially for the purpose of seeing the exhibition. Mr. McNamee had a lot to do with the Montreal Auto Show, and is a good judge of such exhibitions of the products of the automobile industry. He was greatly surprised at the great variety of cars shown in the armories at present. "I had heard you had a magnificent display here," he said, "but I certainly did not expect to see so many makes represented, and so many types of cars. We considered our show in Montreal a great success, but while I do not wish to detract from its glory at all, I believe you have the greatest exhibition ever seen on this continent."

COUNSEL QUESTIONS Judge's Veracity

Hamilton Lawyer Informs that Magistrate Jaffe is a Member of Annafina Club.

HAMILTON, Feb. 24.—Magistrate Jaffe and M. J. O'Reilly, K.C., had a hot clash at police court this morning. The lawyer was defending James Walsh, a bookkeeper for the Hamilton Printing Co., who was accused of depositing a cheque for \$5 to his own account in the bank. It was a very complicated case and the company wanted it laid over until Wednesday to trace other cheques. Mr. O'Reilly wanted his client

**SECOND WEEK OF THE GREAT RUG SALE.**

During the afternoons of last week, the spacious rooms occupied by Courian, Babayan & Co., at 40-44 East King-st., have been crowded to their capacity. The disposal of the firm's vast and magnificent collection of Persian and other Oriental rugs, has attracted the dimensions of a public function, full of animation and interest. Buyers attended from London, Hamilton, Ottawa, Brantford and many other Canadian cities. Really good bargains were obtained by purchasers, but as advertised, the dissolution of the partnership renders it imperative that every piece in the stock must be sold without reserve. The sale will continue right thru this week, and there are still plenty of opportunities to secure specimens of the finest and most artistic products of eastern weavers. The stock is so extensive and varied that all tastes can be met at suitable prices. Such a chance has never before been offered to the public of any Canadian city, nor could have been afforded under the special circumstances. The remainder of the stock is open for inspection, and the sale will, as before, be conducted by Mr. Charles Henderson, of C. M. Henderson & Co., auctioneers.
