**It Is Organized Now and Ready for Work.**

The agricultural commission created by an act of the legislature at the late session, hold a preliminary meeting in St. John recently, and organized for work. To W. W. Hubbard were delegated the duties of secretary. The office of the commission will be in the House of Assembly, Fredericton, and correspondence is invited from everyone interested in the agricultural development of the province. Letters should be addressed, "Agricultural Commission, House of Assembly, Fredericton." Forms, stating the subjects upon which the commissioners desire to be informed, are being prepared, and will be sent to prominent men in every school district.

It is expected that the traveling work of the commission will begin during the fourth week in June, and continue until such time as having operations prevent them from attending the meetings. These meetings will be held at convenient centres in the various counties so that representatives of every school district may be within convenient driving distance, and will be open to the public and the press. All residents of the county who have been heard from, the places, as far as possible, an opportunity of expressing their opinions upon any matter connected with the work of the commission; but the spokesmen, representing the various school districts, shall first be heard. All newspapers are invited to send representatives to the meetings.

As much of the province as possible will be visited before the hay season begins, and the work will be resumed in September and continued until all parts of the province shall have been visited. It is proposed to first visit Charlottetown, followed by Victoria, Madawaska, York, Sunbury, Charlotte and St. John in the order named.

Should having been early it may not be possible to include all these counties. As soon as the various localities interested have been heard from, the places and dates of the meetings will be announced. In the meantime, officers and members of agricultural societies, and the public generally, are invited to make suggestions, and to call the attention of the commission to any particular matter affecting the agricultural and industrial interests of the province.

**GREEKS AGAIN IN THE LEAD**

**Downed the Clippers Last Evening 6 to 5; Latter Have New Battery.**

The Marathons went in the lead in the St. John league race last evening by defeating the Clippers in an exciting game on the Every Day Club grounds by the score of 6 to 5. The Greeks clinched the game in the fifth with a run by Chase, and darkness prevented another inning.

The Clippers came out with a new battery. Treacraft and McLeod, and with the exception of the first inning, Treacraft proved effective. McLeod made a home run in the third inning, the first of the season in St. John. Gilmour pitched for the Marathons and allowed some corking hits.

The Clippers opened the game but were quickly blanked. In their half the Marathons made five of their six scores and things looked bad for the Clippers.

The second passed without incident, but in the third the Clippers became busy. McLeod came to bat with two men on bases and rapped out a long one to centre field which rolled nearly to the fence. The three men romped home, and the result of the game was in doubt. Duffy was safe at first but was caught at second when A. Howe hit to Copeland for a base. Gilmour muffed a fly, and A. Howe went to third, but out second base and was declared out.

In the second half, Chase went to second on Duffy's error. D. Malcolm was out at first. Stubbs batted and reached first, but was caught at second. Clawson fled to McLeod.

The fourth was short and snappy. For the Clippers, W. Sprout flied to Copeland. Treacraft and McLeod were put out at first. For the Marathons, Gilmour, J. Malcolm and Brechury were all out at first.

The fifth and last inning brought excitement, and both teams scored. Lopez opened with a three-bagger to centre field. McLeod died at first. Treacraft and Lopez home. T. Howe reached first safe on J. Malcolm's muff. Duffy struck out. D. Malcolm muffed the plate when Stubbs bunted. Routes and Gilmour were out at first.

**JAKE KILRAN'S SON LAST BATTLE**

**Had the Best Up to Third Round of Bout With Kid Gibson When Foul Occurred.**

Baltimore, Md., June 8.—After having his man beaten to a standstill, Cecil Kilrain, son of Jake Kilrain, lost his fight tonight to Kid Gibson in the third round on a foul. The result was disappointing to the 3,000 spectators, as Kilrain proved early in the battle that he was Gibson's master.

The foul came near the close of the third round. Kilrain shot a right uppercut for the body and the blow went low, catching Gibson and doubling him up.

Up to the time of the abrupt ending, Kilrain had all the better of the contest. He assumed the aggressive from the start, using his left to the stomach and right to the face. The first round it seemed only a question of how long Gibson would last. He was game, however, and always came back for more punishment, trying hard but failing. Kilrain was by far too clever to be caught napping, and skillfully evaded his opponent's punches. In the third round a right hand punch opened Gibson's eye and he was in a wobbly state when the foul was committed.

**Jack O'Brien Defeats Blackburn.**

Philadelphia, June 10.—Jack O'Brien tonight defeated Jack Blackburn, colored, in a six round bout before the National Athletic Club. O'Brien knocked Blackburn down in the opening round and the fight was over. The colored man hanging on to avoid punishment. The bout was one of the fastest ever seen in this city.

**VETERANS AGAIN WIN AT CRICKET**

**Match Won by Five Runs—Interest in the Game is Reviving.**

The return cricket match between the High School and a team of veterans was played on the Every Day Club grounds yesterday afternoon and resulted in the defeat of the boys by five runs. The veterans were extremely good as in the first match and bumped considerably, but the match was keenly contested and thoroughly enjoyed. The High School had the assistance of Rev. H. R. Trumpp, Sidney H. Beckley and T. D. Topham and played fourteen against the Veterans' nine men.

The High School went first to the wickets. Beckley and Trumpp were sent in to face the bowling of Sturges and Walker. The High School lost Trumpp in Walker's first over, the batsman playing all round a straight one from the slow bowler. Sturges followed, and Beckley made things lively for a while, scoring eight in one over off Walker. Topham retired for a single, and G. Morriway was run out through a misunderstanding. Beckley then fell a victim to the fast bowler in his next over, having an unlucky thirteen to his credit.

The remainder of the side put up a better defense than in the previous match, and with two exceptions all did well to the score. The innings closed for thirty-seven, Walker taking eight for eighteen; Sturges three for seven and Thompson two for two.

The Veterans opened with Jackson and Walker against Beckley and Topham, and runs came freely, twenty being registered before Jackson was caught off a miss hit. Sturges and E. D. Outram came to Topham, who replaced Topham at the lower wicket. Thompson arrived and added ten runs before falling to a full pitch from Topham who succeeded Beckley. Fairweather came in and the High School total was passed before Walker was beaten by a fast one from Topham and retired for twenty, made by steady cricket. The innings closed for forty-two, leaving the Veterans the winners by five runs. F. C. Cooper, himself a veteran, umpired the game very satisfactorily.

A feature of the High School fielding was the quick keeping of Smith, who stood up well to the fast bowlers and had but two byes scored against him.

Interest in the good old English game appears to be reviving. The match was a very close one. Judging by the two games which have been played this season, it is thought a fairly strong eleven could be chosen. The score yesterday was:

**DIED LAST NIGHT AT FREDERICTON**

**T. Bradshaw Winslow Secretary of the Provincial Board of Works Passed Away Last Evening.**

Fredericton, June 10.—T. Bradshaw Winslow, for nearly forty years secretary of the department of public works, died at his home here at 6:45 tonight after a lengthy illness from asthma and heart disease. For some months he had been unable to attend to his duties and suffered greatly in the past few weeks.

Deceased was 69 years old, a son of the late Sheriff Winslow, of Charlottetown, and a native of Woodstock. He spent some years of his early life in Australia. Shortly after his return he was appointed to the office he filled very satisfactorily for so many years. He was the last of his family, his deceased brothers including the late E. Byron Winslow, barrister of this city, and Frank E. Winslow, for many years manager of the Bank of Montreal at Chatham, and John C. Winslow, postmaster at Woodstock. His wife, who survives, was Miss Bull, of Woodstock, and his four children living are Mrs. W. E. Smith, and Miss Grace Winslow, of this city, Bruce Winslow, in South America, and Donald B. Winslow, of the public works department.

The coroner's jury expanded to inquire into the death of the late Edward Currie met this evening and examined Dr. Geo. Emery Scott, Samuel Cassidy and John B. Hawthorne, who were called as witnesses. Dr. McNally stated that he had made an examination of the body and found no marks of violence. He believed deceased came to his death by drowning. Ross Currie, brother of the deceased, and Emery Scott positively identified the body as that of Edward Currie.

The jury brought in a verdict to the effect that the body was that of Edward Currie, and that the deceased came to his death by accidental drowning.

At the annual meeting of the New Brunswick Telephone Company yesterday the equalization of rates was decided upon. General Manager Robinson was authorized to take action regarding the application of people residing in the parishes of Dumfries and Prince William, who are desirous of having the company extend its lines from Prince William to Harvey station. The end of this week or early next week Mr. Robinson will visit the section and look the situation over.

**STMR. LADY EILEEN IS A TOTAL LOSS**

Campbellton, N. B., June 10.—A survey of the Interprovincial Navigation Co.'s steamer Lady Eileen, wrecked at Newport Island on Saturday night, was held today and she was declared to be a total loss. The heavy sea of the past two days is pounding her to pieces. Already the manager has had offers from three parties having steamers to charter, and it is likely the steamer will be running again in a few days.

Coroner Doherty was notified yesterday by telephone that the body of a man had been found at Lawlor's Beach, near Matapedia. He made enquiries and was informed that the body was that of the man Gallen, who, with a companion, was drowned on the Kegewick drive a short time ago. The other body has not yet been recovered. After gaining positive information that the body was as above, Coroner Doherty did not deem an inquest necessary and gave permission to have the body removed. The unfortunate man belonged to New Mills, to which place the body was sent.

Yesterday, Dr. Lunan reported to the

**BOARD OF CONTROL FOR MONTREAL CITY**

**By Law Presented at City Council Yesterday to Provide For Its Creation in Modified Form.**

Montreal, June 10.—A by-law was presented at the city council today proposing the creation of a modified board of control. The by-law provides for the appointment of a board composed of seven expert engineers to consolidate the public works department of the city, which at present overlaps in several departments, and to supervise expenditures on general construction work. The members of the board to be appointed for at least three years, and their reports only to be overruled by an absolute two-thirds majority vote of the council.

The board is also to be called upon to pass on any committee reports involving construction works or the purchase of materials, and no committee reports are to be submitted to the council without the board's approval.

This by-law was given a first reading without discussion but it will probably be very much discussed when it comes up again, as the council is strongly divided on the board of control question.

Another by-law provides for the immediate extermination of all unlicensed dogs, all dogs not accompanied by owners at the end of a chain, and also of all dogs which indulge in vocal exercise at such hours as to make themselves a public nuisance.

Harry Horsfall, director of the Conservatory of Music, Mount Allison, is in the city for a few days on his return to Sackville, from New York, where he has been to study the Leschetzky method of piano playing.

**ACCIDENT AT BONNEY RIVER**

**Young Italian Run Over by Shore Line Train and Leg Amputated.**

A young Italian who had his right foot crushed while working with a gang halting the track of the N. B. Southern Railway near Bonney River, was brought to the city last evening on the train which arrived at 7:30. He was taken to the hospital in the ambulance.

It was found necessary to amputate his leg below the knee and the operation was performed last night.

The man was accompanied by two other Italians, but owing to their inability to speak English the authorities could gather but few particulars. It was said that the man was on one of the flat cars used in ballasting the track and fell between the rails while the car was in motion, one of the wheels passing over his foot.

Rev. David Hutchinson, of Main street Baptist church, will leave on the 23rd inst., for a trip to Great Britain. He will sail on the steamer Cassandra from Montreal, and will be absent till August. During his absence, Rev. E. W. Kelly will occupy his pulpit. Mr. Kelly will return to Birmingham.

Arthur Chisley, who acted as collector of the Merchants' Protective Association, with an office in Horsfield street, is reported missing and is said to have been heard of in New York. No formal charge has been laid with the police against him.
