

# REPORT

OF

## ST. ANDREW'S CHURCH SABBATH SCHOOL

AND

### BRANCH SCHOOLS

FOR 1875.

---

The annual meeting of the Office Bearers and Teachers of the above schools was held in the Library, on the evening of Monday, January 10th, 1876 Reports from the various schools for the past year were submitted, and the Office Bearers for 1876 appointed.

The report from the Central School shows the attendance during the year to have been slightly in advance of previous year. This is very satisfactory, when the circumstances in which the congregation and school were placed during the past year are considered. Not only did the cause suffer from want of a regular pastor for nine months of the year, but by sickness and removal from the city, the school was deprived of some of its most faithful teachers.

The ordinary collections have increased, but there has been a great deficiency in the amount collected for our pupils at Pointe aux Tremble; this is partly accounted for through change of teachers and the interest not being maintained by the annual visit of the Agent.

The Bible class has suffered from the want of a regular teacher, but the morn of a brighter day seems to have dawned, and there is much cause for gratitude in the Lord having given us a stated pastor ere the
