Sickness Comes When You Are Underweight

Simple Method for Determining Proper Weight. See How Quickly Ironized Yeast Builds Proper Weight.

Watch your weight. Do not lose four or five pounds and then wonder why you are tired out and run down. If you do not weigh as much as you should, you cannot expect to be strong and vigorous. Build yourself up and see how your appetite grows and how quickly you will feel like a new person.

Here is an easy method for determining your proper weight. Figure that a person five feet high should weigh 110 pounds. For every inch you are over five feet, add 5 1/2 pounds. Thus if you are 5 feet 8 inches your normal weight would be 143 pounds.

If you find from this experiment that you do not weigh as much as you should, begin at once to take Ironized Yeast, the highly concentrated yeast from the famous Bass' Ale in England which has been recognized for generations and prescribed by physicians over the entire world for men, women and children who are under weight. Ironized Yeast also contains organic iron, which and retains the kind doctors prescribe to make rich, red blood.

Ironized Yeast will bring a wonderful improvement—skininess will be changed to normal weight, pale faces transformed into rosy cheeks and the present "straggy" don't care feeling will give way to the vim and vigor of health. All good druggists will supply you under guarantee to give a satisfactory result.

"Hundreds of orders for individual suits come to the Semi-Ready shops in a single day, and on the evening of the fourth day the garments are packed in individual boxes and shipped by mail or express."

Black-And-White Riot In Pittsburgh Suburb

It Rages for Three Hours With Many Casualties — 28 Participants Arrested.

Bradock, Pa., April 19. — Two youths are suffering from stab wounds, another was severely cut by flying glass and twenty-eight men—twenty-three negroes and five whites — were placed under arrest in Bradock and North Bradock as the result of race rioting, which continued for more than three hours over an area of four blocks between Ninth and Thirteenth streets on Bradock and Washington avenues, Bradock.

The rioting started when a crowd of white men and boys, incensed by a report that two young white girls had been insulted in the negro section, in River avenue, started out to wreak vengeance and encountered two negroes at Ninth street and Washington avenue.

In the excitement which followed the police failed to learn the identity of the girls alleged to have been the innocent cause of the rioting.

The most seriously injured are: James McDonald, aged twenty, stabbed seven times in the body; Edward Green, aged nineteen, a negro, severely cut by glass.

Other, Miss. April 19—Theodore G. Bilbo, former Governor of Mississippi, has been sent to the Lafayette County Jail to serve a sentence of thirty days for contempt of Federal Court.

When Mr. Bilbo appeared in Federal Court here to answer to a charge of contempt because of his failure to appear as a witness in the suit of Miss Frances Birkhead against Governor Lee M. Russell last fall, he pleaded guilty. Judge Holmes fixed the sentence at a fine of \$100 and thirty days in jail.

A dozen other negroes and as many more whites suffered bruises and lacerations in the many encounters which occurred. Chief of Police Stein and nearly every patrolman in Bradock and North Bradock, together with firemen of Bradock, struggled from 8:30 p. m. until midnight to quell the fighting, at times having half a dozen separate battles to contend with at once.

The most seriously injured are: James McDonald, aged twenty, stabbed seven times in the body; Edward Green, aged nineteen, a negro, severely cut by glass.
