

## MANNING DOHERTY CRITICIZED FOR TRIP TO LONDON

Dr. Michael Steel in Commons  
Says Ontario Minister  
Exceeded Rights

(Canadian Press Despatch)  
Ottawa, March 10.—A sub-amendment supporting the attitude of the present and previous Canadian governments in protesting against the implication of disease in Canadian cattle contained in the embargo against such cattle, as now maintained by Great Britain, carried without a division in the house, this evening, thus disposing of a somewhat lengthy debate on the question of the cattle to British ports. The prime minister said in answer to a question, that he would see that the decision of the Canadian parliament was carried to Great Britain.

In moving his sub-amendment Dr. Michael Steel, criticized Hon. Manning Doherty, Ontario minister of agriculture, for going over to Britain on this matter. The Ontario minister, Dr. Steel declared, would go down into history branded as "a meddlesome man," or the man who interfered in federal matters when he had no right to do so.

FOR INDIGESTION

Premier Meighen moved for the appointment of the special committee to consider questions relating to the pensioning of returned soldiers. The prime minister said that for two sessions a committee had been appointed for this purpose and the administrative policy in regard to the treatment of returned men had been largely developed by this committee. He returned men had requested that the committee be appointed again this session. He believed that it was the disposition of every member of the house, as well as of the government, to see that nothing was left undone to take care of the just demands of those who did so much for Canada.

In view of this, said the prime minister, he wished to move for the appointment of this committee which would ascertain what had been done and rec-

ommend improvements which suggested themselves as a result of its deliberations. He moved that the members of the committee be as follows: James Arthur (Parry Sound), H. S. Beland (Beauregard), J. W. Brien (Essex South), W. Caldwell (Victoria-Carleton), A. W. Chisholm (Inverness), R. C. Cooper (Vancouver South), J. B. Cope (Windsor), H. H. Cope (London), J. M. Douglas (Strathcona), J. W. Edwards (Frontenac), R. P. Green (Kootenay West), Thomas MacNutt (Sault Ste. Marie), H. E. K. Spence (Yamoucheville), O. Turgeon (Gloucester), W. H. White (Victoria), J. R. Wilson (Saskatoon).

Replying to Dr. Beland the prime minister said he was not certain at the moment just what requests had been received by the government for reappointment of the committee. But when touring the country it was the exception not to be met by delegations from the various organizations asking for the committee's reappointment. Many suggestions had been received, among these being improvements in the pensioning scheme, new schemes of assistance, such as loans and so forth.

It had always been made clear that on the questions of bonus by way of cash assistance, the policy of the government was unchanged.

## AWAITING THANKS OF CITY COUNCIL

No Acknowledgement Received by Local Council of Women of \$500 Grant Returned or of Fountain Presented.

An executive meeting of the St. John local council of women was held yesterday afternoon in the board of trade rooms for the purpose of completing arrangements for the annual meeting and making preliminary plans for Rosebud Day in aid of the Children's Aid Home. Mrs. E. A. Thibault, president, presided. In the chair. Much routine business was dealt with also. It was said that, as yet, there had been no acknowledgment of the \$500 grant returned to the city council and that the fountain presented by the Brussels street had not been acknowledged either.

Miss Carmichael, in a letter addressed to Mrs. E. A. Thibault, told of the National executive meeting at Niagara Falls, when Mrs. W. F. Sanford, president, unanimously nominated Mrs. E. A. Thibault as candidate for president for the coming year. Miss Carmichael told also of the presentation of a life membership in the National Council to Mrs. Eddy by a group of local councils in New Brunswick and that Mrs. E. A. Thibault, who was one of the presenters.

## WOMAN AVOIDS AN OPERATION

Hope Nearly Gone, but Lydia E. Pinkham's Vegetable Compound Saved Her

Star, N. C.—"My monthly spells gave me so much trouble that I would last two weeks. I was treated by two doctors without relief and they told me I must have an operation. I had my trouble for four years and was unable to do anything, and had given up all hope of ever getting any better. I read about your medicine in the Primitive Baptist paper and decided to try it. I have used Lydia E. Pinkham's Vegetable Compound for about seven months and now I am able to do my work. I shall never forget your medicine and you may publish this if you want to as it is true."

—Mrs. J. F. Hines, Star, N. C.

Here is another woman who adds her testimony to the many who have written to me that they have been cured by Lydia E. Pinkham's Vegetable Compound after years of suffering from various ailments. Therefore it will surely pay any woman who suffers from such ailments to try it.

## SAGE TEA DANDY TO DARKEN HAIR

Look young! Use the old-time Sage Tea and Sulphur and nobody will know.

You can turn gray, faded hair beautifully dark and lustrous almost overnight if you'll get a bottle of "Wych's Sage and Sulphur Compound" at any drug store. Millions of bottles of this old famous Sage Tea Recipe, improved by the addition of other ingredients, are sold annually, says a well-known druggist here, because it darkens the hair so naturally and evenly that no one can tell it has been applied.

Those whose hair is turning gray or becoming faded have a surprise awaiting them, because after one or two applications the gray hair vanishes and your locks become luxuriantly dark and beautiful.

This is the age of youth. Gray-haired, unattractive faces aren't wanted around, so get busy with Wych's Sage and Sulphur Compound tonight, and you'll be delighted with your dark, handsome hair after your youthful appearance within a few days.

This preparation is a toilet requisite and is not intended for the cure, mitigation or prevention of disease.

## 1 Pill a Laxative 2 Pills a Cathartic 3 Pills a Purgative,

This is the Way Milburn's  
Laxa-Liver Pills Work

You will never use any of the old griping, nauseating, sickening, purging pills, containing as they do calomel and other drastic mineral ingredients, once you use Milburn's Laxa-Liver, a pill that is purely vegetable.

Owing to the great care used in procuring the highest grade of drugs from which they are manufactured, they are as near perfect as it is possible to get a laxative remedy.

They work gently and effectively, without a gripe or pain.

If you are troubled with constipation, biliousness, driven to distraction with sick headaches, if your tongue is coated, your head aches, your complexion muddy, your eyes yellow, have floating specks before the eyes, jaundice, itching, bleeding or protruding piles, or your sluggish liver with a few doses of Milburn's Laxa-Liver Pills.

Mrs. Roy Mackie, Oshawa, Ont., writes: "I desire to express my thanks for the relief I have had by using Milburn's Laxa-Liver Pills. I had been suffering for some time from constipation and bad headaches. I tried all sorts of cures, but did not get any good, until I was advised to try your pills. I got great relief after taking only a few doses. Price 25c. a box. All dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont."

## TEN YEARS BEFORE CITY IS WELL PAVED, AT PRESENT RATE

"It will be ten years before St. John can be called a well-paved city if the present rate of two miles per year pavement construction is maintained, and the cost will be approximately two million dollars," said George N. Hatfield, city road engineer, in his lecture on "Street Paving in the City of St. John," which he delivered before the local branch of the Engineering Institute of Canada in the resident engineer's office at the customs house last night.

Mr. Hatfield said, until about two-thirds of its thoroughfares were permanent asphalt streets had permanent pavements.

At present less than one-third of the granite block and asphalt, Mr. Hatfield said, were in the opinion of the city engineer, in his lecture on "Street
