MEN'S BOOTS ONLY \$44.85.

Funny Footwear Displayed in Toronto Shop—Made for Climbing.

Spiked so that the wearer might easily kick a grizzly bear to death, a remarkable looking pair of boots exhibited in the window of a small Toronto shoe dealer, and price marked \$44.85, have attracted much attention.

Almost every male passing that window has gazed at this high-priced, peculiar-looking footwear. They are certainly the queerest boots ever displayed for sale in a Toronto shop.

"I bought them from an Englishman," quoth the shopkeeper, "and they aren't golf boots, either. He had them made for mountain climbing in the Rockies, but got tired when he reached Toronto." The boots are of heavy brown suede

outside, with a thick lining of fine, dressed calfskin. The soles are stout, waterproof leather, and studded along the edges with the funniest steel cleats, made for gripping slippery rock. Inside, in gold letters, is the name of an Eton bootmaker. They are a fine example of expensive English custom-made footwear—works of art, in fact.

### Receives Honorary Degree.

A cashier has to be quick-witted and wide awake. And she can't be unless her body is rightly nourished. You may be a cashier or have any other indoor job, but "Whatever you do, eat Krumbles."

### Here's why:

Krumbles is made of all the wheat grain—bran, kernel and all. It gives you every bit of the good nourishment nature puts in wheat.

We cook it, shred it and toast it, so that it is ready to eat just as it comes to you in our "Waxtite" package, which retains the delicate aroma and rich, tempting flavor Krumbles has when it comes crisp and hot from our ovens.

Ask your grocer for Kellogg's Shredded Krumbles—the only Krumbles made.

Krumbles is made in the same Kitchens at Toronto as Kellogg's Toasted Corn Flakes and Kellogg's Krumbled Bran.—Always wrapped "Waxtite."
