. . . .

Mr. N. W. Rowell, the new Liberal Dr. Charles W. Eliot, president emeritus leader in Ontario provincial politics, was of Harvard, has been chosen to visit In-an unsuccessful candidate for the House dia, China and Japan in the interests of of Commons in 1900. He was chairman of the Carnegie Endowment for International the Canadian Council of the Laymen's Peace. He will sail for India on November Missionary Movement from 1907 till 1910. 7th and after a tour of the Orient will re-Missionary Movement from 1907 till 1910.

The Toronto Globe gives these further facts about the new leader, who is a young man and a leading lawyer of Toronto:

"On most of the general boards and committees of the Methodist church Mr. Rowell holds a seat. In particular, he is a member of the Mission Board, the dowment in the various Asiatic countries, Board of Education, and the General Conference Special Committee, and was elected as one of the two laymen to represent the Methodist Church of Canada on the International Methodist Commission may wisely be planned by the Carnegie appointed by the recent Ecumenical Con- Endowment for the several Asiatic nations ference. He has been an active member, with a view to promoting the cause

from the first, of the Church Union Committee, and is chairman of the Committee of Laws of the united committees. Mr. Rowell is a member of the senate of the University of Toronto, and also of the Gov. Foss is opposed by Louis A. Frothsenate and of the board of regents of Victoria University. His social proclivities are indicated by his membership in St. George's Society and the Irish Protestant an honest man. He knows the situation in Benevolent Society, while he is also a member of the National Club, the Ontario Club and the Queen City Curling Club."

An Honest Man. He knows the situation in this state and he looks forward to defeat, first in Massachusetts and next in the national election." The Boston Globe de-Editorially the Globe of Wednesday scribes President Taft as a political pessimist and adds these observations:-"The

"Mr. Rowell is a comparatively young attitude of the president is not a good man. This is his forty-fourth birthday. party augury. A majority of the Republic-He has the energy, the platform strength, ans probably are ready to renominate Mr. Taft, but if he is going to persist in a pessimistic view of his own prospects, and intends to approach the campaign in a hopeline counsel as he is powerful in debate.

Taft, but if he is going to persist in a pessimistic view of his own prospects, and intends to approach the campaign in a hopeline except that the button must have been some one who will put life and onther incomes as he is powerful in debate. in counsel as he is powerful in debate.
Under Mr. Rowell's leadership the Liberal party will fight a good fight, one of frank, but it is another thing to quit h which it need not be ashamed, no matter fore the fight has begun." what the immediate result may be." It is announced that he will make the final pronouncement on the policy of the party in the campaign, and make it public Provincial Treasurer Matheson of Onwith an address to the electors within a tarjo has announced that it is the inten-

Holy Trinity Church, Brooklyn. We She was seventy-seven years of age.

"In 1910 nearly one-thirteenth of the city's population lived in three small wards of Manhattan at a density of more than 500 to the acre. Last year there were about seventy blocks in Manhattan baving about seventy blocks in Manhattan baving

about seventy blocks in Manhattan baving a density of 750 an acre, three blocks in the Bronx having more than 600 to the acre and twenty-eight blocks having an average density of 464 an acre; while in the Sixteenth ward of Brooklyn alone there were twenty-three blocks having an average density of 401 persons an acre, and several blocks with more than 500 an acre.

The writer points out that the present tenement law permits two adults and three children under twelve, or four aduits and three children under twelve to live in three rooms 7 x 9 feet, and this habitation would cost \$150 or more per year. In cases where the rooms are ill-lighted and ill-ventilated we can imagine the conditions under which the family exist. The writer further says:

"High rents cause much inhuman and several this morning by Judge Walker" "High rents cause much inhuman and unhealthy overcrowding. The Tenemant House Commissioner made an investigation to three and two years respectively in the penitentiary.

nedy which the labor unions ask tionary spells it; you asked me how I spell Tommy—Then it must have taken a bolts and catches of the tax rate to one it.
