

rendered his name widely known; and Mr. John Croil, of Aultsville, who has been a true and faithful director of our Association for many years; also of one of the leading American horticulturists, Mr. P. Barry, of Rochester, president of the Western New York Horticultural Society. He has been long a member of our Association and has ever shown himself ready to give us the benefit of his extended knowledge of pomology.

Therefore, resolved that we, the members of the Fruit Growers' Association of Ontario, desire to record the high esteem in which these gentlemen have been held by us, the deep and unfeigned sorrow with which we received the sad news of their removal from our midst and the great disappointment with which we regard the loss which our favorite industry has thereby sustained.
