

C-5

DÉFINITION TÉMOIN POUR
LA POURSUITE (suite).

Q.13 Will you please give your rank, name, unit, attachment and the nature of your duties?

R. I am Captain E.J. Malone, General List, C.A., attached to C.I.T.C. No. A-12. At C.I.T.C. No. A-12, I am the unit quartermaster and as such I have custody of the M.F.C. 800 of the accused.

Q.14 Do you know the accused?

R. Private Gareau.

Q.15 Do you have any document to produce in connection with a charge of losing by neglect laid against the accused?

R. I produce certified true copy of the M.F.C. 800 of the accused.

M.F.C.800, copie dûment certifiée, dans le cas de C-422090, soldat M. Gareau, est lue, marquée pièce "J", signée par le Président et versée au dossier.

M.F.C. 800, copie dûment certifiée, est comparée avec l'original et trouvée conforme à l'original.

Q.16 Could you explain why on the M.F.C.800 you have Pantaloon, service, prs, and in the charge sheet it appears as Trousers service prs?

R. There was a little misunderstanding. The accused was charged with pantaloons, service, and it was entered as trousers, service, because one is the same as the other.

Q.17 To whom refers the document you just produced?

R. This document refers to the accused whom I identify as Private Gareau.

Transquestionné par l'officier défenseur.

Q.18 Were you quartermaster at that time Captain Malone, on the 28th December 1941?

R. Not at that time, non, but I still have custody of that document.

Le procureur ne désire pas ré-examiner le témoin.

De l'avis de la cour, il n'est pas nécessaire de se conformer à la R. de P. 83 (B).

Le témoin se retire.
