bearing regions in the world. Harry Smith, of Duncans, now the genial editor and proprietor of the Cowichan Leader, while hunting on Mount Sicker after a hot dry season in which all the moss and vegetation had been burned off the rocks by fierce forest fires, noticed what seemed to be the outcropping of a ledge of copper ore which on investigation proved to have most excellent indications. Capital was interested almost immediately, and in an incredibly short space of time the whole mountain was staked and tunnels were being driven and shafts

of the richest and most permanent ore

The claim on which the discovery was made was first worked by the Lenora Mining Co., which built a railway and interested other capital in the Mount Sicker, and who in company construction of a smelter, and in a year or two a constant stream of ore | italists is owner of the Key City claim, was being transported over the tracks which adjoins the Lenora further down of this company and smelted in the the hill. Speaking of his own claim Crofton smelter. The experience of and the mountain in general a few this venture is extraordinary. Under- days ago the captain said: neath and in the immediate vicinity of the discovery were found deposits of duce ore yet, in fact the hill has not ness, much of it going as high as seven hundred dollars in copper, silver and but what dose that amount to. Nogold to the ton, while twenty to forty dollar ore was quarried out almost on ne surface. After several

to Receive Earl Grey and

(From Thursday's Daily.) There is general activity in official

ircles and also among the citizens of Victoria generally preparatory to the arrival of Their Excellencies and party -morrow. The D. G. S. Quadra overauled and made specially clean and trim for the occasion left before noon to-day for Vancouver to receive the vice regal party to-morrow and carry them to the capital of the province. Ir the harbor of Vancouver the necessary bunting and flags will be strung about board. Capt. Gaudin, the local agent of marine and fisheries, has gone over o the Quadra.

Hon. F. J. Fulton, attorney-general and provincial secretary, is in Vancouver having gone over to receive Earl Grey on behalf of the provincial government. Capt. Drake, A. D. C. to the Lieut.-Governor, is also in Vanouver to represent Hon. James Duns uir in receiving the Governor-Gen ral. They will return by the Quadra o-morrow in company with Their Ex ellencies and party.

Messages received announce that the vice-regal party arrived in Vancouver last evening and that all are in excelent health. They reached the city about 6 o'clock.

A guard of honor drawn from the Sixth Regiment met the special train and received the Governor-General. As he alighted the band struck up the National Anthem. His Excellency in spected the guard. Among those there to meet him were Attorney-General Fulton, Mayor Buscombe, Superintendent Marpole and a number of promin ent citizens and C. P. R. officials. Their Excellencies, owing to the wet

veather, drove to the Hotel Vancouver in closed carriages. A meeting of the reception committee of this city met last evening, when everything was reported to be progressing very satisfactorily. It was decided at that meeting to abandon the ommittee was not sufficient to have
