

tion Examination, in this College or some other University, College, or School of Medicine approved by this College; (a certificate from his tutor or tutors that the applicant has been one year studying Medicine in the office of one or more registered Medical Practitioners will be received in lieu of one of the four years of study—but in any case three years additional study either in this or some other approved School of Medicine will be required.)

2nd.—Candidates for the Final Examination shall furnish testimonials of attendance on the following branches of Medical Education, viz:

Anatomy,
Chemistry,
Materia Medica,
Physiology,
Principles and Practice of Surgery,
Obstetrics and Diseases of Women and
Children,
Principles and Practice of Medicine,
Practical Anatomy,
Clinical Medicine,
Clinical Surgery,
Practical Pharmacy,
Medical Jurisprudence,
Botany,
Practical Chemistry,

} Of which two courses will be required, each of six months' duration.

} Of which one course will be required of three months' duration.

Provided, however, that testimonials equivalent to, though not precisely the same as those above stated, may be presented and accepted.

3rd.—The candidate must also give proof by ticket of having attended during twelve months the practice of the Provincial and City Hospital, or that of some other Hospital approved by this College; and also a certificate of having three months practice in dispensing Drugs.

4th.—He must give proof by ticket of having attended for at least six months the practice of a Lying-in-Hospital, approved of by the College, or of having attended at least six cases of accouchement; also a certificate from a registered Medical Practitioner, of "Proficiency in the Practice of Vaccination."

5th.—No one shall be permitted to become a candidate for examination, or shall receive a Degree, who shall not have attended at least one Session of this College, and have obtained from it the tickets for one full course of all the branches included in its curriculum.

6th.—A Medical Session consists of registration and attendance upon courses of Lectures on at least two of the regular subjects of study.

7th.—A course on Practical Anatomy is understood to mean that the student shall have dissected the body once, *i. e.*, three parts.

8th.—Courses of less length than the above will only be received for the time over which they have extended.

9th.—Every candidate for the Degree must, on or before the 15th day of March, present to the Registrar of the Faculty testimonials of his qualifications entitling him to examination, also a Thesis or Inaugural Dissertation upon some subject connected with Medical or Surgical
