

For Consumption

AND ALL DISEASES THAT LEAD TO IT;

SUCH AS

COUGHS, NEGLECTED COLDS, BRONCHITIS, PAIN in the CHEST,

AND ALL

DISEASES OF THE LUNGS,

ALLEN'S LUNG BALSAM

IS THE GREAT MODERN REMEDY.

ALLEN'S LUNG BALSAM *is introduced to the suffering public after its merits for the positive cure of such diseases have been fully tested. The formula from which it is prepared is referred to by the leading medical journals as being equal to any prescription that can be made up for such diseases by the medical faculty. The Balsam is, consequently, recommended by physicians who have become acquainted with its great success.*

It excites expectoration, and cause the lungs to throw off the phlegm; CHANGES THE SECRETIONS and PURIFIES the BLOOD; heals the irritated parts; gives strength to the digestive organs; brings the liver to its proper action, and imparts strength to the whole system. It is warranted to give entire satisfaction, even in the most confirmed cases of Consumption, and not to produce costiveness (as do most remedies), or affect the head, as it contains no opium in any form. It is PERFECTLY HARMLESS to the most delicate child, although an active and powerful remedy for restoring the system.

The *Guelph, Ont., Mercury* says in issue of Feb. 12th, 1869: The LUNG BALSAM sold by PERRY DAVIS & SON is not like many of the nostrums for sale; but has proved itself a valuable medicine when taken for relief in cases of Lung difficulties, Bronchial affections and Asthma.
