OBITUARY:—A large circle of friends heard with great regret yesterday morning of the death of Miss Helena C. Goggin, daughter of Mr. and Mrs. J. R. Goggin, of Chatham. She was organist of St. Mary's Church up to a year ago, when failing health compelled her to give up the work since principal item was canned aslmon, and then made off with nearly \$200 worth of stock, including over 100 the markets to day demand. In years gone by Northumberland farmers had sapped their farms by sending the proper growth of the apriculation. The farmers of the continue to have profitable labor during the winter | ion for your fruit trees.

PAUL, Archbishop of Montreal. The following reply was sent to the Archin Reading, Penn., who had bad lack and sent it back to Finney, and now Finney and Montreal, January 10, 1890, 171 Hutchison street.

| January 10, 1890, 171 Hutchison moisten it and let it heat and you will find the street. | Cultivate | Cultiva My Lord:—Mr. Morin, gripped and land up in bed, requests me to write you, since he afraid of it, and wants it. The Sub-Treasurer will send it to him without delay as gift.

My Lord:—Mr. Morin, gripped and land up in bed, requests me to write you, since he cannot do so himself. He, as well as his family, were deeply touched with the interest which you take in the spiritual welfare of Mr. Chiniquy. He highly appreciates the Christian courtesy of the step you have the Christian courtesy of the step you have that the cows will give you late turns than if you feed expensive foods dry. He was now feeding to ten cows the following mixture with fairly satisfactory results:—200 lbs. of turnips pulped up and the Christian courtesy of the step you have that the cows will give you late turns than if you feed expensive foods dry. He was now feeding to ten cows the following mixture with fairly satisfactory results:—200 lbs. of turnips pulped up and mixed with 80 lbs. of oat chaff, and to this open around the base of the tree. The pro-My Lord :-- Mr. Morin, gripped and laid Municipal Council

The Municipal Council began its annual session in Newseastle on Tuesday. Routine work only was done, such as appointing committees, etc. On Tuesday afternoon the council only met to adjourn for committee work. Up to the time of going to press we had not received any report of yesterday's proceedings.

Some Plain Questions.

The Municipal Council began its annual session in Newseastle on Tuesday. Routine was communicated to him by the reading of was added 55 lbs. of whole rough buckwheat boiled in 8 pails of water, until it all crocked open and seemed cooked. This was mixed into the turnips and chaff hot, and the whole mixture sllowed to stand for 24 hours before feeding. This was fed in two feeds—7 in long for the moment of leaving."

I asked him whether he would not be happy to see you in the event of his being restored to health: "Certainly," said hey "most happy."

Five persons (among whom were the marse and myself) heard these words, dismanssering and a heifer, which the faith in parts of the step you the step.

The Municipal Council began its annual step of the step you have taken.

I have the honor to convey to you as exactly as possible the reply of Mr. Chiniquy to was added 55 lbs. of whole rough buckwheat boiled in 8 pails of water, until it all crocked open around the base of the tree. The producing of a fine earth mulch will prevent evaporation of water from the surface; thus heat was added 55 lbs. of whole rough buckwheat boiled in 8 pails of water, until it all crocked open around the base of the tree. The pop and to was added 55 lbs. of whole rough buckwheat boiled in 8 pails of water, until it all crocked open around the base of the tree. The pop and to was added 55 lbs. of whole rough buckwheat boiled in 8 pails of water, until it all crocked open around the base of the tree. The pop and the was mixed with 80 lbs. of oat oating the soil light and open around the base of the tree. The pop and the stand for 24 hours before feeding. This was fed in two feeds—7 in long for the mom

charging 10c. per bus, for turnips, the feed of each cow cost about 15c. per day.

In fulfilling the duty of your pastoral charge, My Lord, you have acquired one more title to our respect. By preserving the convictions which he adopted forty years ago, Mr. Chiniquy attests the sincerity of his faith. He can now only invoke the mercy of the Sovereign Judge before whom we must all appear some day.

Please accept, My Lord, the assurance of my profound respect.

Courselfar.

Charging 10c. per bus, for turnips, the feed of each cow cost about 15c. per day.

BEEF.

He believed beef could be produced at a cannot in our farm operations to-day expect to get a large profit from little werk; we profit, if the right animals were taken and turned into beef, at or before 2 years.

The finest beef that came into St. John fungous growths falls to the lot of the orchardist.

Ontario farmers were now turning off 2

> there was a large and profitable field for home for the boys and girls more attractive. work. We should aim to have our hens lay If undertaken properly this means little when eggs are high in price. It was no time, and many of our boys would be better trick at all to have hens laying when they employed at this than wasting the time that wanted to, but the test of skill and care they often do in other ways. came when we were able to produce eggs in the birds you are fattening. Give them lots of exercise and do not overfeed them. As soon as the snow comes give them plenty of chaff on the floor of their house, so that myself and the superintendent of that farm, thus, I pondered o'er our pastimes. Thus, I pondered o'er our pastimes. The R. Pohesten would be pleased to give they may keep scratching. Throw the grain Mr. R. Robertson, would be pleased to give some green feed, as a raw turnip or cabbage; help the farmer in his industry, and you are supply sharp gravel and a dust bath and, at liberty to use us whenever so disposed.
>
> While the moon lit up the sky; But, alas! their aspect changed, Were the scenes that flitted by. if you like hens and watch their comfort, they will lay eggs whenever you ask them

Many men are now buying bone cutters at a cost of from \$8 to \$12, for grinding up oones, and these, with meat scraps adhering are the best and cheapest egg-producing food, when sparingly mixed with the other

J. J. Ferguson, Smith's Falls, Ont., was the next speaker and referred to the bacon hog industry. He said that in Ontario this industry had assumed large proportions. During the past season ; the farmers of that province had produced one and a half million hogs. They found that the production Sweezey, Mrs. Geo. J. Dickson, Mrs. Marloften shared the victor's glee. of pork was a paying business in connection with the dairy business, and there were nearly a dozen bacon-packing houses preparing these pige for export to the Eaglish

Here, our condition were somewhat different from Ontario, and it was probable that, for the present, larger and fatter hogs would sell than would for the export trade. But, as production increased our farmers must look to outside markets, and there was no reason why New Brunswick farmers should reason why New Brunswick farmers snould not be sending out larger quantities of export bacon. A good packing house was necessary and then a large and continuous attended. Hon. C. H. LaBillois was present Home thou art before my eye. going on. The Cook Company Windsor, Ont. 12 No. 1 and 2 so dan are commended by all responsible Druggists in Canada,

ANNOUNCEMENT!

Beginning on Monday, January 9 and continuing to and including Tuesday, January 31

U. UREAGHAN will hold his regular GLEARING SALE.

The offerings we will make during the time designated will exceed in number and interest those of any similar sale in our history. While buyers will find ample opportunities for profitable investments in every department of the store, the bargains in the following lines will be especially worthy of investigation.

PRINT REMNANTS, CINCHAM REMNANTS, FLANNELETTE REMNANTS.

DRESS GOODS REMNANTS, LINING REMNANTS, CLOTH REMNANTS.

LACE REMNANTS AND RIBBON REMNANTS.

Men's and Boys' Reefers, Ulsters, Overcoats, Suits and Underwear.

In all the lines mentioned we will make such price concessions on regular seasonable goods, as to command the attention of every buyer.
