

FROM ALL OVER THE MARITIME PROVINCES

FREDERICTON

Fredericton, N. B., May 3.—The city council tonight decided to send City Engineer Feeney and Ald. Mitchell, chairman of the roads and streets, to Somerville (Mass.) to inspect the methods of making tarvia pavement.

Peter Farrell was nominated as a member of the board of health, in succession to his father, the late James Farrell.

The bill of J. D. Phinney, K. C., for services rendered in 1908 and part of 1909, in connection with the enforcement of the Scott act, amounting to \$280, was passed.

The matter of increasing the salary of Chief of Police Hawthorne was not touched.

The water is still falling. The Star line wharf is now in use and the warehouse is cleared of lumber.

A delegation from Southampton composed of Coun. Fawcett, Claude McDonald, and J. T. Marten, waited upon solicitor general McLeod this morning and urged him to use his influence towards securing a bond guarantee of \$10,000 a mile for the proposed railway from Millville to Hawke's Bay.

The preliminary examination of Frank and Marshall Nason of Ormonoto, charged with theft of logs, has been postponed for one week.

Chancellor Jones is arranging to leave for British Columbia on May 10.

A letter from John Kilburn from the St. John headwaters, dated April 26, stated that his drive was all out of the brooks and making satisfactory progress.

Mr. Kilburn reported driving conditions most favorable, and seemed confident that all the lumber in that region would be got out.

Elbert Burt finished his driving operations on the Keswick yesterday. He brought out seven million feet which he will manufacture at Cardigan.

The river has fallen more than three feet during the past few days.

Elbridge Davey, who disappeared from home on Sunday night, turned up at an early hour this morning.

Chief Justice Barker presided at the first chancery sitting under the new Judiciary act this morning.

In the case of Margaret Harding vs. Gertrude Winslow, the mortgage was ordered to be foreclosed upon solicitor general McLeod.

In Elizabeth Phillips, plaintiff, and Thomas C. Phillips, defendant, a motion to dismiss the plaintiff's suit for want of prosecution was refused.

Fredericton, May 4.—The provincial government held a short session tonight. All the members but Premier Hazen were present.

while not in proper condition. For a long time it was supposed the horse would not recover, and he has been in charge of Mr. Tucker, his trainer, since the races.

Lord Minto was considered the finest piece of horse flesh ever raised in the province, and the mink which probably puts him off the track for good was greatly regretted by horsemen here.

At Sussex the horse, it is said, would have brought \$700. He had only been in training a few weeks when entered for the races.

Joseph B. Dickson and family, who have been in St. John during the winter, have returned to Hopewell Cape.

Mrs. Walter Downey, of Curryville, was taken to the hospital at Riverside today, where she will be operated on tomorrow.

The second case against the Consolidated school van driver for whipping one of the scholars, which was carried on concurrently with the former case, was concluded by Judge A. W. B. today.

Complaints grew out of the same incidents in which the driver took his whip to some of the boys, claiming that his instructions were not obeyed.

Hopewell Hill, May 3.—Albert Tucker, the twelve-year-old son of John Tucker, living near here, was badly bitten today by a bull dog belonging to the family.

The boy was playing with his sister in the woods in the parish, biting him severely and lacerating his arms and legs, the flesh being torn and stripped from the limbs so that the cords were laid bare.

A doctor was summoned and found the boy's wounds needed considerable attention. The dog was afterwards shot.

The gentleman who has been engaged by one of the big upper Canadian fruit tree firms to deliver their stock in this parish, which was ordered through the firm's agent last fall, reports considerable difficulty in disposing of the trees to subscribers.

On account of what would appear to be wide discrepancies between the agent's arrangements and the firm's instructions, the customer's claim that the agent allowed them all the time they wanted in which to make payment, and they seem considerably surprised to find cash demanded on delivery.

Also one customer, in consideration of a big order, was told he would have to pay for the trees in advance, and now discovers that the agent had no authority to make such an arrangement, the firm making their own contract with an outside party.

One man refused to take his stock, claiming it was not of a quality as advertised, and the firm's agent appears to have been considerably embarrassed.

Moral: Buy your trees in New Brunswick. Albert county itself has a nursery which produces good stock, some of which has been shipped over to Nova Scotia.

In this community it will be remembered that the provincial horticulturist on a recent visit to Albert county, recommended the use of home grown stock.

At the home of Chas. Cochrane, Curryville, last night was a good success, some \$25 being realized. The funds go towards the Hillsboro Methodist parsonage fund.

The eight-month-old child of Stipendiary Magistrate and Mrs. E. E. Peck died yesterday.

MONCTON

Moncton, N. B., May 2.—(Special)—An innovation in church music will be introduced in Wesley Memorial church next Sunday when "Mothers Day" will be observed.

The idea is to pay a tribute to mothers, and all who attend service will be asked to wear a white carnation in honor of their mothers.

This will be the first time such a service has been held here and effort is being made to get mothers to observe a mothers' day, which will be an annual event in future on the second Sunday in May.

Teams will be sent to the homes of aged people to bring out as many as possible.

Charles Cook, son of C. W. Burnside, of Moncton, has resigned his position in the Bank of Montreal at Fort William, Ont., to accept a position with the Kamistiquia Power Co., Fort William.

Charles Cook, of Sackville, who was brought to Moncton ten days ago with a fractured skull, is expected to be able to go home in a few days. He is recovering rapidly.

After an exceptionally quiet month in April, business opened with a rush for the first of the month.

Three arrests were made last night, three for drunkenness, one-third as many for this offence as was made all last month.

A married woman and a girl were arrested on a vagrancy charge, being found in a down-town barn.

Moncton, N. B., May 3.—At the May sitting of the circuit court in Dorchester this afternoon, Judge Barry presiding, there was an entire absence of a criminal docket.

Judge Barry was presented with a pair of white gloves by Sheriff Willett.

take him back to Halifax. The deserter's home is in Moncton.

Many patients have been sent to the city hospital the last few days, and the public wards are filled to capacity.

Eight medical cases entered the institution since yesterday. Miss Bessie Clark, of Cornhill, Kings county, was brought to the hospital today to be operated upon tomorrow for appendicitis.

The Moncton Canadian Club is suggesting a trip by the Canadian Clubs, boards of trade, etc., in this vicinity, to Fort Beauséjour on Dominion day in line with a movement to make this old fort a national park.

A letter has been received by the Moncton Canadian Club from Hon. H. R. Emerson, approving of the idea of making a national park of Fort Beauséjour and promising his assistance if those interested inaugurate such a movement.

SALISBURY

Salisbury, N. B., May 2.—John Young, an English cousin of Mrs. A. E. Triton, returned to Salisbury recently after a pleasant visit during the winter with his wife in England.

Mrs. A. K. Eagles and Miss Dorothy Cochrane were in Salisbury on Monday, the guests of their aunt, Mrs. Cranford.

A. K. Eagles went to St. John today to consult a specialist regarding some trouble he is having with his lip and which it is feared may be a cancer.

Salisbury, N. B., May 4.—Rev. Freeman C. E. and J. M. Claren, C. E., on the engineering staff of the National Transcontinental Railway, arrived in Salisbury on Tuesday and will spend the summer at the North River gravel pit. The work of ballasting between Moncton and Chipman will be resumed in the course of a few days.

Rev. E. J. Grant, late of Hampton (N. B.), was in Salisbury for a few days this week and left this morning for Prince Edward Island, where he will spend several weeks.

Some twenty members of the Salisbury United Baptist mission band, accompanied by Rev. and Mrs. F. G. Francis, were entertained at the Baptist church at Pettitcodie on Monday evening by the Pettitcodie mission band.

A short musical and literary programme was carried out, after which ice cream and cake was served. The Salisbury folk reached home on the 9 o'clock train, having greatly enjoyed the pleasant outing.

THE LAST RESORT When all else failed, the Doctors said, "try Fruit-a-tives" And "Fruit-a-tives" Cured Mrs. Cadieux

Plantagenet, Ont., January 31st, 1910. "About March 1st, 1909, I was taken deathly sick with Stomach Trouble, Backache and General Breakdown. I failed from 125 pounds down to 80 pounds; was confined to bed for eight weeks, and was unable to eat or keep anything on my stomach, vomiting nearly all the time. I expected to die, and took many remedies as well as employing different physicians. The doctors said they could do nothing for me and, as a last resort, one of the doctors told me "to try Fruit-a-tives—if they would not cure me, nothing would."

My husband bought "Fruit-a-tives" from Mr. Arthur Boleau, merchant of Plantagenet, and I started taking them at once, and inside of ten days, I was able to leave my bed. My stomach got strong and I could eat and retain my food. I gained rapidly and soon of my usual good health back again, and today I weigh as much as ever, 125 pounds."

MDE. LAURENT CADIEUX. "Even the doctors are recommending "Fruit-a-tives." They realize now that these wonderful fruit juice tablets will positively cure all Stomach Trouble, Indigestion and Dyspepsia—and they are using "Fruit-a-tives" in their practice.

Few people realize the vital importance of keeping their blood pure. Impure blood is the chief cause of Stomach Trouble, because it is from the blood that the stomach obtains the fluid which digests food. When the blood is laden with impurities, the dissolving fluid (or Gastric Juice) will be impure. These impurities may come from a congested liver, from Constipation, from weak kidneys, from an inactive skin, or from all four.

"Fruit-a-tives" acts directly on the liver, regulates the bowels, strengthens the kidneys, stimulates the skin, and thus rids the whole system of impurities. "Fruit-a-tives" will positively cure you of any kind of Indigestion. "Fruit-a-tives" is sold by all dealers at 50c. a box, 6 for \$2.50 or trial size, 25c. If you are unable to obtain "Fruit-a-tives" conveniently, do not accept substitutes but send to "Fruit-a-tives" Limited, Ottawa, and the regular size packages will be mailed you, postpaid, on receipt of price.

the party will also probably include C. P. McCabe, J. D. Creaghan, Hon. John Morray, Charles Morray, P. Hickey, Donald Rogers and Gerald O'Brien, Judges Connors, R. A. Lawlor, K. C. and others.

The town will have a base ball league this year, consisting of three teams, the Y. M. C. A., the Victors and the Stars. A new pipe organ is being built by Cassar Bros. of St. Hyacinthe (P. Q.), for St. John's Presbyterian church, this town. The organ will reach here during the month of June and will be placed in position in time to be used for the special services to be held on the first Sunday in July to commemorate the church's eighth anniversary. The new instrument will cost \$2,200.

The death took place a few days ago of Mrs. John Flanagan at her home, St. Mary's. She was 85 years of age. She was survived by her husband, five sons and five daughters, namely: Morton, in West Virginia; John, of Chatham; George, Roger and James, of Boston and Montreal; and George Farquhar, in the 1910 graduating class at Pine Hill Presbyterian College at Halifax. The salary is \$900 with a manse. Mr. Farquhar has also received a call from Hampton for the British-American Book and Tract Society, has been appointed to the mission left vacant by Mr. King's resignation. Mr. Watson at one time supplied at Douglas-Lalonde and Logville.

In the parish court, the case of Ganong vs. Pickett was finished on Saturday by Judge Magistrate Hennessy, after two postponements, and a non-suit granted. E. C. Weyman appeared for the plaintiff and F. M. Sprout for the defendant.

Evangelist Beatty, of St. John, will this week finish his special services conducted in the Baptist church here. Considering the weather, the crowds have been good, and much interest shown.

Miss Kee, of the teaching staff, spent Sunday at her home in St. John.

CHATHAM Chatham, May 3.—The first regular meeting of the new town council was held last night. The session was devoted chiefly to routine business. There was no mention made of conditions in connection with the liquor traffic or the enforcement of the Scott act, although it was generally thought that the temperance element would bring up the subject.

Stream driving operations on the Miramichi have not been carried on with the facility which it was thought a week ago would be the case. The water in the river in the vicinity of the Northwest boom fell four feet last week.

The drives are all out of Cain's River and Lynch's drive on Salmon Brook is also out.

The first annual meeting of the Miramichi Rifle Association was held on Tuesday evening. The following dates were chosen on which to compete for the Dominion silver salver: May 24 and the third Tuesdays in June, July and August. Other dates will be arranged for practice as required.

A number of members of the local branch of the Knights of Columbus will attend the convention of the order which opens at Moncton on May 10. Ald. W. F. Cassidy, grand knight, will attend, and

SONNET FROM SONGS OF IMMORTALITY. (By A. H. Chandler, M. D.) What breast could bear the never ending grief; What eyes could weep the ever falling tears; What life survive the slowly torturing Of hopeless, hopeless sorrow; Oh, how brief Would be existence, if our loves on Earth Should have an end within the cold, dark hearts that joyed upon us at our birth; The dear ones severed by the wide, wild sea; The friends of youth we loved so tenderly; The parent, brother, sister—the good brave Heart that adored us in the latest breath; But now asleep upon the bed of death— All were inspired with that faith that gives us peace.

That we, and they, immortal were, might meet again in Heaven. Cocagne (N. B.), April 30, 1910.

THE QUESTION OF THE HOUR. The lean professor opened the book, A long, deep breath he slowly took, Then loudly cleared his foggy throat, And o'er his prey prepared to gloat. But ere the stinging theme was sped A late arrival showed his head. The prof. looked up and darkly scowled, And at the tardy student howled: "Before you dare to open your mouth, 'Tis best to shut it, and be silent, now!"—Cleveland Plain Dealer.

REASONS FOR BUYING A ROOF THAT NEEDS NO PAINTING. In making a roofing the problem of the manufacturer is chiefly a matter of getting a durable wearing surface. In the past roofing manufacturers have depended upon a heavy coat of paint for such protection. If kept properly renewed, a painted roofing will give satisfaction. The objection to this type of roofing, however, was that the painting constituted a nuisance and expense. The average owner was fairly sure to neglect it, and when the paint wore off—and of course no paint could wear very long under the severe conditions of roof service—the water and frost began to destroy the roofing.

Of late years the roofing industry has been considerably changed by the appearance of Anamate, a mineral surfaced roofing which needs no paint. It is obvious that a surface which consists of small particles of mineral properly cemented on the top surface of the roofing will not need any paint. The effect of weather upon the mineral surface is practically negligible.

Anamate costs no more than the paint and the saving of work and expense has made it exceedingly popular. A sample of it is obtainable on request from The Carrite-Paterson Mfg. Co., Ltd., St. John, N. B., Halifax, N. S.

Easier to Operate than Any Other Car

YOU will not only find the I H C auto buggy the easiest to drive, but it is so simple and easy to operate that your wife and children can use it with perfect safety. If you need to go to town or visit a neighbor it is always ready. No time is lost in hitching up.

The I H C Auto Buggy will travel any road—over hills, through mud, snow, etc., at 1 to 20 miles an hour. The large wheels protect you from jars when going over rocks, clods and bumps. The solid rubber tires make punctures "blow-outs" and the resulting delays impossible. They do not flatten out and loosen the dirt and gravel like the inflated tires do. It's the "suction" tires that are doing nine-tenths of the damage to the roads. You can use an I H C buggy when you wish not dare to take a horse out.

For Business or Pleasure It is the most sensible, serviceable vehicle. If your wife and children want to go to town or on a pleasure trip it doesn't mean taking a team from the work in the field if you own an I H C auto buggy. The International auto wagon has a complete engine construction as the auto buggy. It will meet your requirements for a light delivery wagon. The full elliptic springs (30 inches long by 1.8 inches wide) and the long wheel base make it easy running and give it a stylish appearance. See your local dealer or write to the International Harvester Company of America, nearest branch house for further information.
