SIXTEENTH ANNUAL REPORT. THE REPORT and ACCOUNTS for the year 1873, presented to the Shareholders at the ANNUAL MEETING, on TUESDAY, 26th May, 1874, at which BERNARD HALL, ESQ., presided,

FIRE BRANCH, That the Premiums for 1873, after deducting re-insurances, amounted to £295,140, and the Losses to £16.3,117, or 54.09 per cent. LIFE BRANCH.

The Reports of the Actuary of the Company, and by Mr. Samuel Brown, showed the Surplus in a Life Fund to be £30,£19 after providing for all Liabilities on a 3 per cent, pure Premium miums received on every policy now in existence.

Mr. Samuel Brown concludes his Report as follows:—

"Company now and at the last QuinquentDivision of Profits, it is evident that every satisfactory progress has been made.

"The precautions which have been taken not to anticipate any of the future profits of the ipany, and by using the tables on which the premiums are based at a very low rate of interest to agthen its position at all future divisions, are sure to lead to the confidence and support of the ipany.

oublic.

"It seems to me that such results as those above shown are likely to lead to a great influx of usiness during the next Quinquennial period."

The Surplus on the Year's Account, including £7,604, the Proprietors' one-fourth share of Life Profits, was shown to be £83,633, which was appropriated by the increase of the Reserve Yound by £41,938, thus raising that fund to £130,600; to the payment of a Dividend and Bonus to the rate together of 15 per cent. per annum absorbing £36,975; the Balance, £13,719, being
