

The M. W. Grand Master gave as his decision that a brother who gives notice of motion to amend the constitution cannot delegate another brother to move in the matter in his absence.

The Grand Lodge was called from labor until 7 o'clock this evening.

TUESDAY EVENING,

24th June, 1880.

Grand Lodge was called to labor at 7 o'clock, the M. W., the Grand Master in the East.

W., Bro. P. Albert Carvell, Chairman of the Committee on the Grand Master's Address, presented the following:

*To the Most Worshipful Grand Lodge of A. F. & A. M., of Prince Edward Island.*

Your Committee to whom was referred the Address of the Most Worshipful Grand Master, at this Annual Communication, beg leave to report as follows:

We fully concur with him in the suggestions set forth in the beginning of his Report, and trust that this and our future Sessions may be noted for the harmony and that brotherly love which should ever exist among friends and especially among Masons.

We feel assured the lukewarmness and apathy referred to, is but temporary, and that it will soon be supplanted by more zeal and enthusiasm on the part of the Lodges and craft generally.

We are pleased to learn that the Most Worshipful Grand Master appointed representatives to visit the different Lodges in this jurisdiction, and thereby enable this Grand Lodge to become acquainted with the standing and efficiency of the Lodges, and also establish a more fraternal feeling among the craft.

We are gratified to notice the exchange of representatives with other Grand jurisdictions, and to learn that our relations therewith are thus cordially effected and reciprocated.
