Miss Florence Patterson of Detroit was the guest of Mrs. Henry Mawlam Sunday last.

1867—British North America Act passed. The Dominion of Canada became a nation and Dominion Day was established on July 1st. 1868—The assassination of D'Arcy McGee, one of the Fathers of Confederation occurred at Ottawa on

Half a Century

Told in Brief

\*\*\*\*\*\*\*\*\*\*\*

April 7(f). 869—The young Dominion had to face the anxieties of the First Red River Rebellion in the North-

River Rebellion in the North-West.

1870—On May 11th the Dominion purchased the Hudson Bay Com-pany's rights in Rupert's Land for £390,000, and on July 15th the new Province of Manitoba and the North - West Territories were created. On September 24th Coi-onel Wolseley's expedition arrived at Fort Garry and the Riel Rebel-lion collapsed.

lion collapsed. 1871—British Columbia was admitted into Confederation on July 20th, so that the young nation reached from coast to coast. 1873—Prince Edward Island was admitted to the Dominion on July

1874—Alexander Mackenzie became Prime Minister of Canada. 1875—The first Lieutenant-Governor

SIR OLIVER MOWAT

was appointed for Rupert's Land and the North-West Territories. 1876—This year say the 876—This year saw the opening of the Intercolonial Railway from Quebec to Halifax, and the estab-lishment of the Royal Military College at Kingston.

1877—A stal event took place this

1877—A wital event took place this year, though it was not considered important at the time. The first exportation of wheat was made from Manitoba to Great Britain.

1878—In November, the Marquis of Lorne arrived as Governor-General, accompanied by H.R.H. Princess Louise. The Mackenzie Government was defeated, and Sir John A. Macdonald became once more Prime Minister of Canada, an office that he held until his death.

death. 1879—The National Policy was adopted, its purpose being to strengthen the industries and fin-

strengthen the industries and finances of Canada.

1880—On May 11th, Sir. A. T. Galt
was appointed the first High Commissioner for Canada to England.
The death of the Hon, George
Brown, another Father of Confederation, occurred on May 10th.

1881—The first sod of the Canadian
Pacific Railway was turned on
May 2nd.

1882—The Provisional districts of
Assinibota Saskatchewan, Alberta,
and Athabasca were created.

1883—Sir Charles Tupper. became
High Commissioner for Canada in
London.

bellion broke out on March 26th, and was immediately crushed. Louis Riel, the agitator and leader, was executed on November 16th.

1887-The Jubilee of Queen Victoria was celebrated, and on April 4th the first Colonial Conference was

the first Colonial Conference was held in London. 1888—The Fishery Treaty was sign-ed at Washington on April 15th, only to be rejected later by the United States Senate as not suffi-ciently favorable to their country. Oakdale here Wednesday evening.
The score was 19-4 in favor of Oakdale.
Harry Edwards is visiting in London.
Great Lakes Steamship Service.

Great Lakes Steamship Service.

1892—The Treaty of Washington (Behring Sea) was signed providing for arbitration over the boundary line between Canada and the United States.

and the United States.

1893—Sir John Thompson died suddenly in London. Sir Mackenzie Bowell became Prime Minister of Canada.

1894—The Colonial Conference met

of Canada.

1894—The Colonial Conference met at Ottawa on June 28th.

1895 — Proclamation was issued naming the unnamed portions of the North-West Territories, Ungava, Franklin, Mackenzie, and Yukon Districts.

1896—On April 24th Lord Strathcona was appointed High Commissioner for Canada, taking the place of Sir Charles Tupper who returned to Ottawa from London to become Prime Minister and lead the Conservative party. The Government was defeated at the polls, and Sir Wilfrid Laurier became Prime Minister, holding that office until defeated by Sir Robert.

Borden in 1911. On July 6th the

tended to the shores of Hudson Bay.

1897—The Diamond Jubilee of Queen Victoria was celebrated on June 22nd. The second Colonial Conference opened in London during the following month.

1838—One thing happened in this year that indicated the growth of

the modern imperial spirit. On August 1st, the preferential tariff came into force, which gave a re-duction of 25 per cent. in favor of British goods. The Joint High Commission met at queber for the adjustment of questions between Canada and the United States. 89—Another even of imperial im-

Canada and the United States.

1899—Another event of imperial importance marked this year. The Beer War broke out on October 11th, and on the 30th of the month the first Canadian contingent for service in South Africa embarked at Quebec. This was the arst time that Canadians had decided for themselves to take part in a foreign war. Empire Day was celebrated for the first time on May 23rd of this year,

1900—Fire destroyed a large part of Ottawa and Hull on April 26th. British Preferential Tariff was reduced to two-thirds of the General Canadian Customs Tariff on July 7th.

1901-On January 22nd, Queen Vic-1901—On January 22nd, Queen Victoria died, and King Edward ascended the throne. In September, of the same year, the Duke and Duchess of York made a tour of the Dominion of Canada. This was the first visit of King George and Queen Mary to our country.

1902—The Boer War came to an end.

and:
1903—The Alaska Boundary dispute
was partially settled between Canada and the United States.
1905—The new Provinces of Saskatchewan and Alberta were created on Sentember 1st

ed on September 1st. 1907—March 22nd, The Industrial 1907—March 22nd, The Industrial Disputes Investigation Act was passed. The New Customs Tariff, including the introduction of Intermediate Tariff, was introduced. Matters of imperial importance were the Third Colonial Conference held in London during the months of April and May, and the New Commercial Convention with France signed in Paris on September 19th.

1908—The Ottawa Branch of the Royal Mint was established on January 2nd. On May 4th, the final Treaty was ratified marking out the boundary between Canada and the United States. The Quebec Tercentary Celebrations took place commencing July 20th, continued to the Construction of the property of the Construction of the Constr

place commencing July 20th, con-

tinuing to the 31st. 1909—The Canadian Commission of

1909—The Canadian Commission of Conservation was, appointed on May 19th. During the month of July the Conference on Imperial Defence took place in London.

1910—The first Naval Service Bill passed Parliament on May 4th. The death of King Edward VII. occurred on May 6th, and 7eorge V. ascended the throne. On June 7th, Goldwin Smith, who had been recognized as the intellectual leader of Canada for many years. leader of Canada for many years, died at his home in the Grange, Toronto.

911—The Laurier Government submitted the reciprocity proposals which had been framed with the United States to the Canadian Parliament on January 21st. On March 21st the Duké of Connaught was appointed Governor-General of Canada. From May 20th to June 20th the first Imperial Conference sat in London. On October 11th electrical energy generated by Niagara Falls was generated by Niagara Falls was first used in Canada. The Duke and Duchess of Connaught landed at Quebec on October 13th. ing the month of September the Laurier Government went to the

country on the reciprocity ques-Robert Borden became Prime Min-

orth-con- 1912—The boundaries of Quebec, Ontario and Manitoba were ex tended to the north.

tended to the north.

1913—On June 2nd the trade agreement between Canada and the West Indies came into force.

1914—Lord Strathcona and Mount Royal died on January 21st at the advanced age of 94 years. On August 4th Germany and Great Britain went to war, and the Dominion of Canada immediately decided to give every possible support to the Empire. A war session of Parliament was called on August 18th. On October 16th the first Canadian Overseas Force of 32,900 men landed at Plymouth, England.

mouth, England.

1915—The First Canadian Contingent landed in France during the month of February. On April 22nd the Canadian troops displayand the canadian troops display-ed signal gallantry at the second battle of Ypres, being highly eulogized by Sir John French, An-other event of imperial import-ance was the attendance of Sir Robert Borden at a British Cab

polls, and Sir Wilfrid Laurier became Prime Minister, holding that office until defeated by Sir Robert Borden in 1911. On July 6th the boundaries of Quebec were extended to the shores of Hudson Bay.

897—The Diamond Jubilee of Queen Victoria was celebrated on June 22nd. The second Colonial Conference opened in London during the following month.

898—One thing happened in this year that indicated the growth of Courcelette in September.
