

Winnipeg, June, 1910.

WOOD'S WAY SYRUP.

Used To Cure All Dis-
eases of the Lungs.

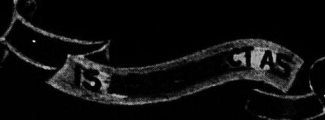

Tracheitis, Sore Throat,
Croup or Tightness in
the Bronchial Tubes
The curative powers of
this remedy. It
is the best of the world
the tree, combined
with the soothing,
and the properties of
the bark.

Mrs. John Pelch,
Windsor, Ontario,
writes:—"I was
troubled with a nas-
ty hacking cough
for the past six
months and used a
lot of different re-
medies but they
last I was advised
Dr. Wood's Norway
the first few doses
and to-day my hack-
ly disappeared and
Dr. Wood's Norway
use."

Dr. Wood's Norway Pine
bottle. It is put up
in three pine trees
be sure and accept
substitutes of the
Syrup."

TRANSCONA

THE NEW RAILWAY CENTRE

TRANSCONA is where the mammoth Grand Trunk Pacific Railway Shops are located and in course of erection. It is seven miles East of Winnipeg and will be the terminus of the Eastern and Western Divisions of this great Transcontinental line. It has the facilities for one of the greatest engineering depots and industrial centres in Canada. The shops alone will cost \$3,000,000. When completed, 3,000 to 5,000 men will be employed. The pay roll will be up to \$200,000 per month.

Imagine the opportunity there is here, now, for investment. But your opportunity is **now**, while Transcona is in the making. It will never be quite so good again. The recognized town lies directly north and in front of the shops. Do not be misled as to location.

We have some of the best property at Transcona at the prices quoted. The best locations are being rapidly taken up. We have just completed the sale of a large block (65 lots) to a bunch of railroad men, after they had thoroughly inspected our property. Marked plans and full information will be sent on application. Our prices are \$4.50 to \$6.00 per foot. Terms $\frac{1}{4}$ cash; balance extending over 2½ years, to suit purchaser. Interest at 6%. All lots have Torrens Title and are 30 x 100 to 16 foot lane.
