

INDIAN PLAQUE UNVEILED

On Sunday, June 21, 1970, an historical plaque commemorating the Credit Indian Village was unveiled on the grounds of the Mississauga Golf Club. This plaque is one of a series being erected throughout the province by the Department of Public Records and Archives, acting on the advice of the Archaeological and Historic Sites Board of Ontario. Shown left to right after the ceremony are: Fred Boyer, Executive Director, Department of Tourism and Information; Mrs. T. W. Watson, secretary, Mississauga Historical Society; His Worship J. C. Saddington, mayor of Port Credit; His Worship Robert W. Speck, mayor of Mississauga; Malcolm J. Gray, president, Mississauga Historical Society; Dr. F. H. Joblin, Minister of First United Church, Port Credit; Robert Harrison, president, Township of Toronto Historical Foundation; and Dr. J. M. S. Careless, Co-Chairman of the Archaeological and Historic Sites Board of Ontario.

Pay twice for roads

PORT CREDIT — A Port Credit resident who lives on the only unpaved piece of road in the west end of town now fears he will wind up paying for paving twice-over when the town is absorbed by Mississauga.

Bruce Bottrell, who owns a home sitting on property with 100 feet of frontage on Ben Machree Drive, appeared before Monday's regular council meeting to protest what appeared to him to be an inconsistency in town roads policy.

Ever since the mid-1960's when Port Credit adopted a repaving and road widening program, construction crews have worked east through the town. Despite the fact the second last area is now being finished (Area F), Ben Machree near the western borders of Port Credit, has remained unpaved.

"I don't really care if it's paved or unpaved," Bottrell said, "but it will cost me money when a change in government comes." He estimates it could cost him up to \$1,200 if the road remains unpaved when either a regional government takes over or Mississauga absorbs Port Credit.

Mayor Cy Saddington told Bottrell he could not bind any future elected body, but he promised that if any council member were still around when the town's status changed he would fight for "Ben Machree's interests."

The mayor also promised him the subject would be considered at county-level during regional government discussions. He guaranteed there would be no change in the town's status until at least Jan. 1, 1972, but after that it remained open to question.

DOUG KENNEDY AND FRIENDS

Peel South MPP Doug Kennedy chats with two constituents in the playing field of Huron Park where Mississauga's first Highland Games were held last Saturday. The event drew competitors from all over southern Ontario. A record 242 dancers entered the Highland dancing competition and the games drew more than 4,000 spectators to watch the colorful pageant.

Essay wins local student \$600

MISSISSAUGA — A 17-year-old Dixie area youth, Ken Freeman, has won a \$600 college scholarship for placing second in the International Civitan Club Essay Contest. Ken, who graduated an Ontario Scholar from Grade 13 at Applewood Heights Secondary School, only found out about his win on Monday. The cash will be granted in \$150 portions for four years. Ken has been accepted by the University of Toronto in a BA course, majoring in Geography.

Citizenship as a Privilege was Ken's topic, written during the school's Easter break in March. Two months later he was told he had won \$100 for first place in Peel County competitions sponsored by the Civitan Club.

Then word came through he had taken first in the Ontario West essay contest and won \$150 more in cash. Finally on Monday Civitan sent him formal notice of his international second place win.

"I didn't tell my English teacher about the competition until the last day of school," Ken told the Times. "I didn't want him to make a fuss."

OPP report 2 accidents

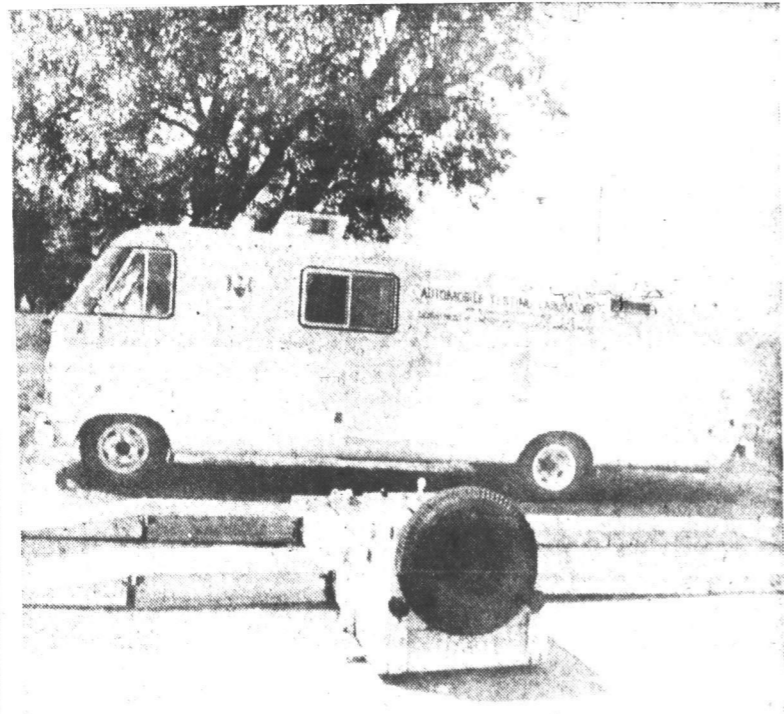

MISSISSAUGA — Two relatively minor accidents marred the traffic record of the Port Credit detachment of the Ontario Provincial Police over the weekend. Damages from both are estimated at \$2,300.

On Friday afternoon police report Lynda Osborne of 2394 Mississauga Rd. was westbound on Highway 5 near the Credit Woodlands when she stopped for traffic and was hit from behind by Mario Delben of 221 Troy Street in Port Credit.

Provincial Police Constable Ed Baker estimated damages at \$700 and charged Delben with careless driving. The woman complained of a sore neck from the impact.

Around noon on Saturday, police say Arthur Duquette of Brampton was northbound on Highway 10 at Derry Road West when he was struck by another northbound car driven by Gordon Hadley of Milton.

Hadley was charged with making an improper left turn from the wrong lane. Constable D. Smith estimated damages from the collision at \$1,800. A passenger in the Duquette vehicle, Grahaan Robinson, also of Brampton, received minor leg injuries.

EMISSION CONTROL MOBILE UNIT

A mobile unit of the emission control section of the provincial air management branch is checking 1969 and 1970 model cars for pollution control devices this week in Port Credit. The unit is stationed at the corner of Lakeshore Road and Front Street. All drivers are obliged to stop if requested.

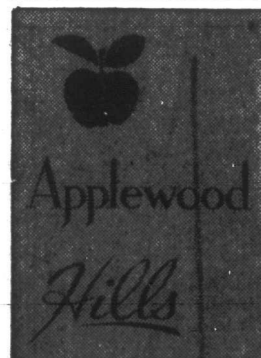

President elected

MISSISSAUGA — W. L. Henderson, CGA, of 2313 Homelands Dr., Clarkson, has been elected President of the Certified General Accountants Assoc. of Ontario. He is managing director of W. D. Latimer Co. Ltd.

Henderson succeeds last year's president John W. Davis.

He is the first Gold Medalist to become CGA president and is interested in the educational activities of the association.

Henderson figured prominently in the production of a new career booklet put out by the CGA. He plans to carry out a program of co-ordination among the 12 local Ontario chapters.
