CARRIERS OF THE WEEK

MICHAEL BIANCHI

Michael is presently 12 years old, and is a "Times" carrier. He attends Erin Mills Senior Public School and is looking forward to Grade 8 next term. When he's away from school studies, Michael keeps himself busy by reading and playing a little baseball with some friends. Stamp collecting is another favorite hobby which Michael enjoys doing. Next year, Michael's Grade 8 class will be taking a trip to Quebec. By having a "Times" route, he'll be able to save enough money for his needs, plus a little to put away in the bank.

JOANNE CHATHAM

Joanne is a Grade 5 student at Settlers Green Public School. During vacation months in the summertime, Joanne takes part in swimming lessons and also goes running just to keep in top shape. Being an active 9-year-old student, Joanne is also involved in playing tennis, roller skating and some quiet knitting by herself. Joanne's route for the "Times" covers Lorca and Atherly Cres. "Having money to save and delivering near to home are just great," says Joanne.

Carriers of The Week are selected for providing outstanding service to their customers, and by delivering the paper in a safe, dry place early Wednesday mornings.
