

C 49324

*H. H. to
Mr. Baldwin*

-3-

forget that within the shrine of your illustrious dead,
Westminster Abbey, repose the remains of one of our sons who
was Prime Minister of England.

Time will not permit you during your present visit
to traverse Canada from coast to coast, but we trust that
what you are able to see of our country will induce you to
return at no distant date.
