

No. 118532-5.

Ottawa, May 25, 1916.

Sir,-

In your report for April referring to the Laohkaltzap school you state that the toilets are not in very good shape and that a wood-shed is badly needed at an approximate cost of \$40.00. I have to request that you will inform us more fully with reference to the closets stating what you would recommend being done with the closets and the size of wood-shed necessary, and the location. On the receipt of your answer, the matter will be given consideration.

Your obedient servant,

  
Asst. Deputy and Secretary.
