

180148-5.

Ottawa, December 6th, 1917.

Sir,-

Inspector Markle, who visited the Elcod R.C. Boarding school, on the 20th, ultimo, recommends that partition be built in the upper floor of the building and also that a ceiling be built in the laundry.

The Department, in view of his recommendation, has decided to allow the sum of \$50.00 for the purchase of the material required to make these repairs.

The above sum, - \$50.00, - is the total amount of expense which the Department will assume.

An itemized account, in duplicate, certified by you, should be submitted for this expenditure.

Your obedient servant

*L. D. M. L.*
