

suggested that, as there is no vacant bed at present at the Laurentian Sanitarium, it might be advisable to seek admission for the patient at the Sanitarium at Riverdale, N.B. If you favour such action the Department will be glad to have you write to the latter institution explaining the case and requesting admission for Miss Isaacs, upon the understanding that the Department will pay at a reasonable rate for her maintenance and care. Any arrangement made will be subject to the Department's approval.

Your obedient servant.
