"THE CANADIAN PHILATELIC HAND-BOOKS."

No 1-"The Stamps of British Rorth America."

This book is one of the most useful published for the use of the collector. It comprises the most comprehensive priced catalogue of Canadian stamps ever issued, and has been prepared as the result of years of individual research and at great expense. It fully describes and deals with 697 digrams are available of part and perforation are also fully entered upon. The properties of paper and perforation are also fully entered upon. The weight of the minutes is use. Order a copy NOW, as the edition, which is the properties of the pr

No. 2-"Canada and hen Stamp Collectors."

This book, which has just been issued, has been published in response to the request of many of our customers. Its contents comprise a brief and well written history of stamp collecting in Canala, tentry brief and interesting sketches about Canada's twenty heading dealers and collectors. To the above is added a charter containing much interesting matter on Canadian stamps. Last, but by no means least, comes the directory, which consists the names of nearly 2,000 bonn fide Canadian collectors. The names in the directory are all fresh, having been collected during the present year. This book is a valuable as well as interesting work. You should possess a copy. Send us your order. Sent post-paid to any part of the world for 25 cents.
