GRAND TRUNK PACIFIC TELEGRAPHS.

The Grand Trunk Pacific Railway telegraph work, under the energetic direc

tion of Mr. A. Bruce Smith, manager, telegraph department, is progressing rapidly. Already 30,000 cedar poles contracted for are being delivered at the company's storage yards at Fort William and Portage la Prairie. Materials for erection of the first 1,000 miles of wire are also being delivered. Organization is about completed to begin active construction as soon as the frost is out of the ground.
