

IN THE LEAD

INTERNATIONAL STOCK FOOD

"INTERNATIONAL STOCK FOOD" is a scientific, medicinal preparation, manufactured from nature's remedies, consisting of roots, herbs, seeds, barks, etc. It is fed to stock in small quantities for the purpose of aiding digestion and insuring perfect assimilation. The average farm animal, as you know from observation, wastes a large amount of the grain fed. You have to pay for the grain whether your stock digest it or not. If the use of "INTERNATIONAL STOCK FOOD" will save you this wasted grain, it will certainly pay you to use it. Our experience has proved to us that it will, and therefore, we place before you every pound of "INTERNATIONAL STOCK FOOD" sold, our positive guarantee. If "INTERNATIONAL STOCK FOOD" does not save you money, it will not cost you one cent.

"INTERNATIONAL STOCK FOOD" is very strongly medicated, and the amounts fed are very small, and its use will cost you only "3 FEEDS FOR ONE CENT." Remember it is harmless even if taken into the human system, and we will pay anyone \$100.00 who will prove that a single poison enters into its manufacture.

"GENUINE INTERNATIONAL STOCK FOOD" will give you paying results, while imitations claiming to be "AS GOOD AS INTERNATIONAL" will not.

WELL PLEASED WITH RESULTS

INTERNATIONAL STOCK FOOD CO., TORONTO, ONT.
Gentlemen:—On the recommendation of Mr. W. G. Mackay, your agent at Cookstown, I bought and used your International Stock Food, and found it an excellent food for all kinds of animals. I am so delighted with the results of feeding the Food that I purpose in the future to have an ample supply in my stables.
I can heartily recommend International Stock Food to any and all who wish to increase the appearance of their stock, and to obtain beneficial and lasting results.
(Sgd.) HENRY LEADLEY.

WHEN FARMIN' DOESN'T PAY.
When a farmer gets to sittin'
And a-loadin' in the stores,
And a-playin' cards and dicin'
When he should be doin' chores;
When the cows go late for milkin'
And the horses get no hay,
You may put it down in writin'
That farmin' doesn't pay.

When the pastures grow to bushes,
And the seeds choke up the farm,
And the harvest lies a-rottin'
When it should be in the barn,
When the farmer stops the harrow
'Cause its comes a cloudy day,
He will tell you—and he proves it—
That farmin' doesn't pay.

—Frank B. Wells, in Farm Journal.

Poisoned Skin and Eczema

Tortured This Engineer for
Thirty Years—Extraordinary
Cure by

DR. CHASE'S OINTMENT.

Mr. G. H. McConnell, engineer in Fleury's Foundry, Aurora, Ont., states: "I believe that Dr. Chase's Ointment is worth its weight in gold. For about thirty years I was troubled with eczema, and could not obtain any cure. I was so unfortunate as to have blood poison, and this developed into eczema, the most dreadful of skin diseases.

"I was so bad that I would get up at night and scratch myself until the flesh was raw and flaming. The torture I endured is almost beyond description, and now I cannot say a thing too good for Dr. Chase's Ointment. It has cured me, and I recommend it because I know there is nothing so good for itching skin."

Dr. Chase's Ointment, 60 cents a box, at all dealers, or Edmanson, Bates & Co., Toronto. To protect you against imitations, the portrait and signature of Dr. A. W. Chase, the famous recipe-book author, are on every box.
