

Don't Neglect a Cough or Cold

IT CAN HAVE BUT ONE RESULT. IT LEAVES THE THROAT OR LUNGS, OR BOTH, AFFECTED.

DR. WOOD'S NORWAY PINE SYRUP IS THE MEDICINE YOU NEED.

It is without an equal as a remedy for Coughs, Colds, Bronchitis, Sore Throat, Pain in the Chest, Asthma, Whooping Cough, Quinsy and all affections of the Throat and Lungs.

A single dose of Dr. Wood's Norway Pine Syrup will stop the cough, soothe the throat, and if the cough or cold has become settled on the lungs, the healing properties of the Norway Pine Tree will proclaim its great virtue by promptly eradicating the bad effects, and a persistent use of the remedy cannot fail to bring about a complete cure.

Do not be humbugged into buying so-called Norway Pine Syrups, but be sure and insist on having Dr. Wood's. It is put up in a yellow wrapper, three pine trees the trade mark, and price 25 cts.

Mrs. Henry Seabrook, Hepworth, Ont., writes: "I have used Dr. Wood's Norway Pine Syrup in our family for the past three years and I consider it the best remedy known for the cure of colds. It has cured all my children and myself."

Among the humors of the British campaign are amusing political incidents recalled from previous elections. Lord Rayleigh, the eminent scientist, wears his hair long. On one occasion he tried the questioning method as a means of interesting a political audience. "If I were to say to Mr. Gladstone so-and-so, what would Mr. Gladstone say to me?" "Quick as a flash came from the crowd the disconcerting answer, 'Get your hair cut!'"

HOW SHIRES SELL IN ENGLAND.

At a sale of Shire fillies from the studs of Mr. W. T. Everard and Mr. Matthew Hubbard, at Leicester, the last week in October, sixty-two head sold for an average of \$562 each, the highest price, \$3,200, being realized for the three-year-old stallion, Ivy Forest Chief, by Lockinge Forest King, and the highest price for a mare was \$2,310, for the three-year-old, Easenhall Shamrock, by the same sire. A few days later, at the sale of Dr. Bernard Wall, at Colleshill, near Birmingham, an average of \$490 was obtained, the highest price being \$1,627 for the yearling stallion, Hazlewood Blend, by Dunsmore Royal Alderman.

CANADIAN SHIPMENT OF CLYDESDALES.

From a late issue of the Scottish Farmer we quote the following regarding a consignment of choice Clydesdale fillies, purchased from Messrs. A. & W. Montgomery by Mr. Wm. Meharey, of Russell, Ont., recently shipped from Glasgow, and to be sold by auction at Ottawa, on December 3rd, as advertised in this paper: "These were all three years old and under, and were a specially well-bred lot. They were particularly strong in the blood of Baron's Pride and his sons. There were also representatives of other lines of breeding. Two were by the big, well-colored horse, Lothian Tom (11811), by Prince Thomas. Another was by Mathias (11430), by Knight of Cowal; while a third was by that splendid horse, Moncreiffe Marquis (9953), which won first prize at the H. and A. S. Show at Inverness. Others were by the Lanark premium horse, King's Crest (11385), by Up-to-Time, out of a mare by the great Macpherson (3825), and these sons of Baron's Pride: Carabineer (10522), Baron Mitchell (10688), and Durbar (11695). There was a promising Bute-bred filly, by Royal Blend (11893), out of a mare by the noted Prince Rosemount (9992). Another was by Prince Victor (12707), out of a mare by Baron's Pride (9122), with her grandam by the Cawdor-cup champion, Prince of Kyle (7155), and great-grandam by Darnley (222). A well-bred filly was got by the Stirling prize horse, Argosy (11247), out of a mare by the great Macgregor (1487), and one quite as well bred on other lines was got by Prince of Galloway (8919), out of a mare by the Darnley horse, Good Hope (1679). Two were got by the Upper Nithsdale premium horse, Baron Beaulieu (11257), and one of the fillies, by Durbar, was out of a mare by the Cawdor-cup champion, Royal Gartly (9844).

TRADE TOPIC.

OF VALUE TO HORSEMEN.—Do you turn your horses out for the winter? If so, attention is called to a very important matter by the proprietors of Gombault's Caustic Balsam. Horses which have been used steadily at work, either on the farm or road, have quite likely had some strains whereby lameness or enlargements have been caused; or perhaps new life is needed to be infused into their legs. Gombault's Caustic Balsam, applied as per directions, just as you are turning the horse out, will, it is claimed, be of great benefit; and this is the time when it can be used very successfully. One great advantage in using this remedy is that after it is applied it needs no care or attention, but does its work well, and at a time when the horse is having a rest. Of course, it can be used with equal success while horses are in the stable, but many people, in turning their horses out, would use Caustic Balsam if they were reminded of it, and this article is given as a reminder.

When Kipling was a twelve-year-old, his father took him on a sea voyage, and, as Kipling senior suffered badly from seasickness, he left the boy to his own devices. Presently a tremendous commotion was heard, and the boatswain dashed into Mr. Kipling's cabin, shouting at the top of his voice: "Mr. Kipling, your boy has crawled out on the yard-arm! If he lets go, he'll drown to a certainty!" "Yes," said the sufferer, falling back on his pillow, but he won't let go."
