Rennie's Prize Swede Turnip now stands at the head of the list. 1 lb., 90c.; 5 lbs., \$1.20; postpaid. Finest Quality. Grand Keeper. Great Yields. Leads all other Swede Turnips. First Prize Toronto Industrial and other leading Exhibitions in 1892. Try it this Season.

NEW FIELD PEA, "CANADIAN BEAUTY." Novelty, 1893. Never before offered. Can only be obtained direct from Toronto, bearing our stamp on every label. This entirely new White Pea was selected by a farmer residing in Eastern Ontario, who states that he found one mammoth pod on a Multiplier vine, and being attracted by the very large size of both pod and peas, took care of the few grains and sowed them the following spring. From this small beginning a stock has been produced which enables us to offer it this year for the first time. The grain is large, bright and a clear color; immense sized, well-filled pods, frequently containing 19 peas. The straw is not coarse, but of fine quality, in this respect differing from almost all other varieties. In point of productiveness, we say without any hesitation whatever, that it is undoubtedly the greatest yielding pea yet introduced. Prices for 1893—1 lb., 20c.; 3 lbs., 50c.; (postpaid) Peck, \$1.00; Bush, 1.75; Bush, 3.00. Bags, 20 cts. each extra.

NEW BLACK OAT "GOANETTE" Immense Yields. Leads all others. A new Oat of great promise, found to be far ahead of all old varieties in point of productiveness. The seed was imported from France, and after being thoroughly well cleaned and hand-picked was placed with Hon. Jno. Dryden and other farmers to grow for us. The Oats are sprangled, are long and well filled with grain. For several years it has taken first place amongst all the varieties tested at the Agricultural College, Guelph. Try this famous Oat this year, and surprise the neighbors with your crop. As stock is limited, early orders are requested. Prices for 1893—Per lb., (postpaid) 20c.; 5 lbs., (postpaid) 60c.; Peck, 40c.; Bush, 60c.; Bush, \$1.00; 2 Bush, at 90c.; 10 Bush., at 85c. (Bags 20c. each extra.)
