[No. 88.]

Gentlemen

It is with pleasure we advise the opening of our importations for Autumn and Winter, 1896. In these days of keen competition merit alone must tell, and in this is our confidence, as it is that which has ever stood by us, and in this direction you will find our efforts now mark a higher plane. While maintaining our reputation for style and material, we meet the competition of the day in close prices, notably our Scotch Suits at \$22.50, and our Sterling Trousers at \$5.00.
