wan, and Alberta via get some help first. They may over whelm us." Just then two English "Tommies came along. The corporal who was growing weak from his wound ex-

plained the mission and the "Tom-The four started single file down the winding stairway into the darkness, the Corporal, with a grenade in each hand, leading the way. At the foot of the stairs they found themselves in a dugout of unusual

in carefully.

Suddenly at the end the candle re-There against, the back wall, were huddled a large group of soldiers, evidently panic-stricken with terror

"We're through," said one of the Germans as all of them put their heads. The corhands above their heads. poral did some hasty thinking. He could see plainly that he and his party were well outnumbered although he did not know at that tim that the ratio was twenty-five to one

Then he hit upon a scheme.
"Advance three at a time," h commanded, 'lay down your arms and pass out. You're my prisoners. If one of you make a false move I'l kill you all with this grenade. Ready

now-the first three.' Three Germans moved forward n and intermediate points, cautiously, laid down their rifles and side arms and took positions along one side of the dugout

"Three more," came the command intermediate points, Toronto, and three more stepped forward. The wa, Montreal, Buffalo and New procedure was repeated thirty three times and then the party was taker up the stairs and back to the British lines as prisoners. There were ninety nine German privates and four officers, who, by the way, were mad with rage when they learned that heir command had been captured by

When the Corporal got back to the British lines he collapsed from loss of blood. He was taken to a field hospital and brought to London few days ago. The wound is not ser lous and he will be out again in a few days.
