Mrs. Bridget Guerin McQuarrie-Mills Wedding

Death came with terrible suddenness on Monday last to Mrs. Bridget Guerin, one of our oldest and most highly respected citizens, after a brief illness. Deceased was in her 80th year at the time of her death and had been in the enjoyment of good health up to just prior to her death when she suffered a paralytic stroke which resulted fatally.

The late Mrs. Guerin was the daughter of John and Maraget Hartwell, and was born July 2nd, 1840, in the town of Glen, County Limerick, Ireland, coming to Canada in 1853 and settling in Quebec where she resided up to 1855, when she moved to Waterdown, and had resided continuously on the same property up to the time of her death.

At the age of 17 years she married the late John Guerin in 1857, nine children blessing the union of which six survive. They are William of Chicago, James of Hamilton and John at home, Mrs. Wm. Organ and Mrs. W. Pirie of Hamilton, and Mrs. Joseph Smiley of Aldershot. She also had 11 grandchildren and 6 great grandchildren. Deceased was married by the late Bishop Farrell.

The funeral took place on Wednesday morning last from her late home to St. Thomas church for services, interment being in the Roman Catholic cemetery here. The Rev. Father Becker officiated at the church and grave. The pallbearers were three sons, William, John and James, and three son-in-laws, Joseph Smiley, Aldershot, and W. Pirie and Wm. Organ, Hamilton.

Rev. Father Becker in the course of his address referred feelingly to the upright christian character of deceased, who had been granted a long lease of life, and had always enjoyed the confidence of our people. She was a faithful attendant at the services of her church and lived closely to its teachings.

Her death means a destined loss to the community, and to her sorrowing relatives an unreparable one, and also means the severance of another link in the chain which binds Waterdown's past with the present. Her friends, which are many here, extend to sorrowing relatives their deepest sympathy.

No Increase in Price

Notwithstanding the enormous increase in the cost of production, over three times previous to war prices, that great weekly, the Family Herald and Weekly Star of Montreal, have decided to accept renewals and new subscriptions at the old rate (\$1.50 a year) from all who remit before December 1st, 1920. This should be good news to readers of that big weekly. The Family Herald has been vastly improved and is beyond doubt the greatest value in newspapers.

It Is Yesterday's Dirt That Always Starts the Fire

We might paraphrase the familiar quotation that "Cleanliness is next to Godliness" by saying that "Cleanliness is indeed next to Carefulness" in Fire Prevention matters. If you have nothing to burn there will be no fire. Fire loves dirt. Accumulations of waste paper, boxes and rubbish are the things that fire likes to feed on, and if your home, basement and attic, as well as the shed and surroundings, are kept clean, the fire menace will be reduced to minimum.

The Fall Fair

The annual Fall Fair held here on Tuesday last was fairly well attended, the day being fine but somewhat chilly on the grounds. The lack of proper buildings and a permanent grounds is a big drawback and makes it difficult in holding a really successful fair.

The display of fruit and vegetables this year was one of the best ever shown in Waterdown and worthy of world competition.

One of the main features at fall fairs is the baby show, and Waterdown was not to be out-done in this exhibit. Eleven youngsters were up before the judges, the mothers of the winners being Mrs. John O'Connor, Mrs. T. Allen and Mrs. W. Rankin.

Mountsburg

Mr. Albert Hewins, who has been confined to his bed for the past week is improving.

Mr. Patrick McCarthy and Mr. W. Woolsey have the contract for graveling some of our roads.

Mrs. Peter Page has been ill for some time and is under the care of Dr. King.

Quite a number from here attended the special services at Freelon church Sunday evening, under the League auspices. Seven young men from the Gospel Tabernacle of Hamilton conducted the services.

The many friends of Mr. Mat Mount will be pleased to learn he is able to be out again after his illness.

The Farmers around here are busy filling silos these days.

The snow and rain storm that passed over this vicinity did considerable damage to the corn crop.

The Methodist church intend holding their anniversary services and grand concert about the first Sunday and Monday in November.

Mr. John Gunby spent Sunday on the 10th con. with friends.

Mr. Wm. Woolsey is taking a short course at the night school.

Free Publications

The Department of Agriculture at Ottawa includes in its available publications some four hundred titles which embrace practically every phase of farming in its broadest sense in Canada. The new list recently issued contains thirty new publications which relate to dairying, field crops, insect and plant diseases, live stock, the orchard and garden, and poultry. In the miscellaneous list is included "Farm Feeds", "The Use of Coarse Grain for Human Food", and a new edition of "The Maple Sugar Industry in Canada." All these publications are for the free use of the citizens of Canada and are obtainable for the asking from the Publication Branch of the Department of Agriculture, Ottawa.

The Waterdown Women's Institute will have boys to collect papers and rags on Saturday, October 30th. The citizens are requested to save their papers and have them in readiness for the boys when they call. The proceeds are for the Memorial hall.

Burning the Nation's Wealth

EVERY HOUR OF THE DAY AND NIGHT

The Torch of Carelessness

BRINGS DESTRUCTION TO SOMEBODY'S PROPERTY IN ONTARIO

The Work of Fire Prevention should appeal to the Farmer, who is at the mercy of the Fire Demon; and to every merchant and Manufacturer who wishes to preserve the continuity and non-interference of his business.

SPECIAL EFFORTS SHOULD BE MADE DURING

Fire Prevention Week—October 9

to remove all Fire Hazards and take every possible precaution to Prevent Fire.

CLEAN UP

accumulation of waste material, rubbish, boxes, brush, weeds and conditions that create disorder.
