MAGNIFICENT KENT GATHERING OF FRIENDS OF GOOD GOVERNMENT

Immense Assembly at the Great Convention at the Auditorium this Afternoon—Great Enthusiasm Manifested.

JAMES CLANCY THE UNANIMOUS CHOICE

Officers are All Re-Appointed and Organization Completed—Standing Room at a Premium—The Selection of a Standard Bearer.

A large, enthusiastic and representative convention of residents of West Kent was held this afternoon at the Oddfellows' Auditorium for the purpose of organizing the local campaign for clean Provincial government and purity in public life.

The convention was an open one in every sense, all interested in the good cause being cordially invited to be present. The result was a magnificent gathering—the largest in years—while an interesting and pleasing feature was the presence of a few Liberals who accepted the invitation and were warmly welcomed.

Enthusiasm ran high. Victory was in the air. No convention ever gathered with a higher, better platform and both delegates and visitors united.

On motion of ex-Mayor Smith and Ward St. Lawrence the officers were all unanimously re-elected on block, Sydney Coatsworth being elected to succeed Eugene Pelletier, who has moved to the Northwest.

J. S. Fraser, Wallaceburg, moved a resolution of confidence in Mr. Whitney, and condemnation of the corruption of the Ross administration. Dr. J. L. Bray seconded, and the motion carried amid applause.

Its text was as follows:—The Liberal-Conservative of West Kent, in convention assembled, hereby resolve:

That the practices of the Government in power in Toronto, as revealed in the election courts and on the floor of the House, have brought reproach upon the name of this Province, and the methods adopted by the Government in recent elections to maintain itself in power are such as to merit the condemnation of all honest and right thinking persons, and on this account we are of the unanimous opinion that the best interests of this Province demand that the men who have brought this lasting disgrace upon the Province should be no longer retained in office.

And it is further resolved that the policy and platform advocated and supported by Mr. J. P. Whitney, K. C. and his colleagues, as well as by the Conservative press of this Province, are such as commend themselves to our best judgment, and we express our sincere desire that at the approaching general election Mr. Whitney be successful in carrying a majority of the representatives as he has already carried a majority of the electors, and to this end we pledge him our votes and influence.

J. S. Fraser moved that each polling subdivision appoint a delegate to the Toronto conference. Jas. Jenkins seconded and the resolution carried.

Dr. J. L. Bray in a short address urged all to be present.

Mr. Irwin, Raleigh, Yes, and go by the C. P. R.—Laughter and applause.

Nominations were then called for and resulted as follows:—

JAMES CLANCY, moved by Nathaniel Massey and Sydney Coatsworth.

WILLIAM R. HALL, by Ward St. Lawrence and W. R. Baxter.

A. W. THORNTON, by James Wemp and J. W. Tompkins and Judson Shepley.

JAMES CHINNICK, by Wm. Irwin and S. Hitchcock.

Others were:—

GEORGE G. FRASER.

JOHN S. FRASER.

NATHANIEL MASSEY.

WARD STANWORTH.

J. M. PIKE.

T. A. SMITH.

A. B. CARSCALLEN.

J. W. SHARPE.

DR. GEO. MITCHELL.

SYDNEY COATSWORTH.

CHAS. AUSTIN.

Nominations were then declared closed.

Chas. Austin, in withdrawing his name, spoke earnestly along the lines of clean government. He believed the coming issue was the highest lines. Electors of the Province were looking with hope upon the Conservative candidates as the hope of honor and right as leaders for progress and purity. "If we are fighting this dark blot and corrupt practices," he declared, "let us have a clean candidate, a clean campaign and clean government. We will then have Liberals as well as Conservatives supporting us. Let us determine to fight our own campaign honorably, cleanly and worthily."

Sydney Coatsworth, Dr. Mitchell, Dr. Sharpe and A. B. Carscallen briefly withdrew.

Ex-Mayor T. A. Smith said he would permit his name to stand. He said he would oppose the centralization of officialdom in Toronto. He referred to the appointment of Chatham's Police Magistrate at \$1,400, the local

License Commissioners, etc. He then took up the school book monopoly which he eloquently condemned.

J. S. Fraser, J. M. Pike, W. Massey, Ward Stanworth, James Chinnick, A. G. G. Martin, followed, briefly withdrawing.

Dr. Thornton made a magnificent address. He appealed to the Liberal-Conservatives to conduct a clean campaign. He allowed his name to stand.

Dr. W. R. Hall followed and in an earnest address permitted his name to go to the convention.

James Clancy made a splendid speech. He said he had no claim on the Conservatives. They had been more than generous in the past. He thanked them for asking him to be a candidate, paying a high tribute to the other candidates. He would heartily support the choice of the convention.

As Mr. Clancy concluded Dr. Hall came forward and said he had just received a telegram from J. P. Whitney, which caused him to reconsider his decision and withdraw his name.

Dr. Thornton came forward and placed his hand on Dr. Hall's shoulder.

"And I want to add with my good friend Dr. Hall that he has the true spirit," and it affords A. W. Thornton one of the pleasures of his life to unite with him. I ask you to drop my name in favor of Mr. James Clancy."—Wild cheering.

Ex-Mayor Smith then made his way to the platform and withdrew his name amid applause.

CHEERS FOR CLANCY.

"There is only one man the convention now wants to hear," said Dr. Thornton, but he got no further. Wildly the same of "Clancy" was called with burst after burst of applause.

In a word Mr. Clancy expressed his deep appreciation. But the convention was too enthusiastic for even a speech. They surged up with cheers to grasp the candidate's hands, and cheer for the King. Whitney and Clancy brought the convention to a close.

HOODOO OCEAN BURNS

Was in Muir's Dry Dock, Port Dalhousie, For Repairs.

Men Working On the Vessel Had to Drop Their Tools and Run For Their Lives—Burned to the Gunwale Line—There Is Some Salvage, But the Steamer Is a Total Loss, Covered, However, by Insurance.

St. Catharines, Nov. 19.—About 2.15 yesterday afternoon one of the sailors of the steamer Ocean, which was undergoing repairs in Muir's dry-dock at Port Dalhousie, saw flames shooting from the hold. He raised the alarm, and almost as he shouted, fire seemed to burst out in every direction. The men who were working on the vessel had to drop their tools and run for their lives. There was no time to save anything, not even the men's clothes.

A fireman ran to his quarters to endeavor to get some belongings, but fire burst out all around him, and he was with difficulty saved from death by a brother fireman, James Oulette of Montreal, who rushed to his comrade's assistance. Oulette and the other man were badly burned on their faces. There was no steam up and no fire in the ship's furnaces, so that there was no means of fighting the flames with the hose. The men had to just stand and watch the Ocean become reduced to ashes.

The Ocean burned to the gunwale line, and while there will be some salvage, she is almost a total loss. The vessel was one of the oldest on the lakes, and cost \$30,000 to build. She is covered by insurance.

The burned steamer Ocean was owned by the Wentworth Navigation Co. She was one of the fleet plying between this city and Montreal. In her time she had several misadventures, especially in going through the canals, where she did much damage in carrying away the gates.

Burned to the Water's Edge.

New York, Nov. 19.—While bound eastward through Long Island Sound, between here and New London, Conn., the freight steamer Mohawk of the Central Vermont Railroad's fleet, took fire off Horton's Point, near the eastern entrance to the sound, and was burned to the water's edge early yesterday. Her crew, except the watchman, were rescued by a passing steamship and taken to Fall River, Mass. It is believed that the Mohawk will be a total loss.

Burnside Hospital Affire.

Toronto, Nov. 19.—There was a fire in Burnside Maternity Hospital, in connection with the General, yesterday. There were about 30 inmates, and all were asleep except Nurse Lindsay and a woman patient, who discovered the fire. Most of the 12 women patients were able to walk out from the hospital. The hospital staff did good work. There were six infants. The damage amounts to about \$250.

TERRIBLE LOSS OF LIFE.

Fourteen Miners Killed By Gas Explosion Disaster in the Carbonada Mines Near Morrissey, B.C.

Winnipeg, Nov. 19.—A Fernie, B. C., dispatch says fourteen miners were killed at the Carbonada mines, near Morrissey, yesterday afternoon, as the result of a terrific explosion of coal gas. The disaster occurred in No. 1 mine, ten miles west of Fernie. The work of rescue was kept up all the afternoon, and all the bodies have been recovered. The dead are: Mr. Jenkins, Lewis Carlin, Peter Kenny, Albert Johnson, Patrick Boyle, Wm. Platt, Mike Gastich, Anton Prehenyck, Venesta Venerka, Martin Tomazsky, Anton and John Brondso (two brothers), Joseph Suchy and Jas. Greenman. The wife of Jenkins, one of the victims, only arrived from the old country Thursday.

D. D'Arcy was the only man who escaped from the mine, and he had an experience he will never forget. He was a driver, and was on the way out when the terrible shock came. He heard a noise in the interior of the mine, followed by a mighty rush of dust and gas. He made his way out to the tunnel mouth, where he was rescued by friends. He is suffering severely from the shock. Mine Manager Simister and General Superintendent Drinnan are at the scene of the accident, and everything was done to expedite the work of rescue, though it was known that none of the entombed men could possibly escape. A similar disaster occurred at this colliery last year, when four men were killed.

Death From Flash Powder.

Toronto, Nov. 19.—After suffering for 50 hours from injuries received from the explosion of a photographic flash powder he was mixing in his studio on Wednesday morning, Solomon Vise of 511 West Queen street, died in the Western Hospital at 1 p.m. yesterday. The cause of his death is given by the doctors as heart failure, resulting from nervous shock. Mr. Vise's hands and arms were fearfully burned, the hair was scorched from his head, and his neck, shoulders and chest were burned. The deceased was 36 years of age, and leaves a widow and family. He had been in the photographic business for many years in Toronto.
