Avoiding the Doctor.

Dr. Sanderson, an old Scotch physi-
cian, was a queer character, but a
clever doctor.
So roughly did he handle his patients
that the ignorant were chiefly anxious
to escape him. The story goes that as
he was passing along the street one
day a sweep rolled from the top to the
bottom of a staircase outside one of
the houses.
"Are you hurt?" called the doctor,
running forward.
"Not a bit, doctor—not a bit," replied
the man in haste. "Indeed, I feel a
bit better."

Gin Pills Cure Kidney Troubles.

OR YOUR MONEY BACK.

Read this letter from Mrs. Gargill.
Has it not the ring of truth? Does it
not describe your own sufferings? And
does it not point the way to quick re-
lief?
"For three years I suffered more
than I can tell with terrible pains in
the small of my back. When I stooped
over, it seemed as though I would never
be able to straighten up. I tried Kidney
Pills for a year and a half, but was get-
ting worse all the time, until advised by
my neighbor to try 'Gin Pills,' as I
had been almost completely affected,
I took three boxes of Gin Pills, and
in most from the first dose I began to feel
better. Now I am pleased to say I can
do as good a day's work as ever in my
life without feeling tired out. Before
getting Gin Pills I had to have a girl
do my housework, but now I can do
it all myself, including the washing. I
will always recommend Gin Pills for
kidney trouble.

severe Bright's Disease. Cure yourself

your money back. 50c box—6 for \$2.50.
If you will write asking for it and tell
the paper in which you saw this we will
send you a trial box of Gin Pills abso-
lutely free. The Bole Drug Co., Winnipeg.

Stern Father—You want to marry
my daughter, do you? Young Man—I
do. Stern Father—What's your salary?
Young Man—Oh, I'm not particular.
Just give me a trial of three months,
and if I fail to give satisfaction as a
son-in-law you need not pay me any salary.

Nothing Relieved His Kidneys Until He Tried Bu-Ju

MARKHAM, Ont., Dec. 1, 1903
"I had suffered for seven years
with kidney trouble. Could
scarcely walk and was unable
to attend to my farm. Saw
"Bu-Ju" advertised, and after
taking the first few pills, felt
much relieved. After taking
half a box, was able to do a
full day's work. I know one
box of "Bu-Ju" saved me
\$40.00 doctor bills.

GAS WORKS' ACCIDENT

Sends 14 Men to Hospital Suf-
fering From Bad Burns.

Were Engaged in Lifting Massive Cov-
er From Vat of Chemicals When
Rush of Flame Overpowered Them—
Faces, Arms and Bodies of Victims
Are Badly Scorched—Pitiable Ap-
pearance of the Burned Men.

Toronto, Sept. 10.—While in the act
of raising the massive lid of a purifier
box at the Consumers' Gas Co.'s plant,
on Saturday morning about 11 o'clock,
a sudden rush of flame caused injuries,
more or less serious, to fourteen of the
company's employees.

Machinist James Pargeter, who was
examining the box to see that it was
sound, at the time when the outbreak
occurred, escaped without other ill-re-
sults than inhaling the fumes. He de-
scribes the fire as rushing out in foun-
tain-like volume.

Dr. Chambers, who has the injured
men under his charge, says that all will
recover. It was fortunate that the
flames did not ignite the clothing of the
men, otherwise, the burns would prob-
ably, in more than one instance, have
speedily proved fatal.

As it was, the victims were all burn-
ed either about the face, neck or lower
arms, which were exposed to the
blast of fire. The men were suffering
acutely when brought to the hospital
and presented a pitiful appearance.
There were great weals of raw flesh
showing on faces drawn with suffering.
Eyebrows were scorched away by the
fierce blast.

The entire hospital staff busied them-
selves relieving the sufferings of the
victims.

Horse's Kick Fatal.
Bright—Robert Oliver, a
farmer residing about a mile from
Bright, was struck by a horse and died
of his injuries Friday night.

Tot Killed in Street.
Montreal, Sept. 10.—While playing in
the street Saturday in front of her
home, little two-year-old Alice Chap-
man, niece of the late Hon. J. A. Chap-
man, met a terrible death, being run
over by an express wagon. The little
tot was making mud pies in the street,
when the horse and wagon dashed over
her at a furious rate.

Dog Saves Master.

Marlin, Sept. 10.—W. H. Howe was
gored by an infuriated bull the other
day, and would probably have been
killed but for his faithful dog, which,
after repeated attacks, drove the ani-
mal away.

Boy Killed on Track.

Uxbridge, Sept. 10.—William Oxtoby,
13 years of age, was run over and
killed on the railway track near here
yesterday morning. The boy's parents
are deaf and dumb.

Body Found on Lake Shore.

Pickering, Sept. 10.—The badly de-
composed body of a young man was
found on the lake shore yesterday
morning. His clothing consisted of an
under shirt and drawers only. Three
weeks ago a floating boat was picked
up in the same locality. It contained
a man's outer clothes, gold watch, etc.

CANNED THIMBLEBERRIES.

**Fatal—Death of Mrs. Nash of Exeter
Gives Rise to Popular Story.**

London, Sept. 10.—The sudden death
of Mrs. John H. Nash, two weeks ago,
in this city, has given rise to a pecu-
liar story.
It seems that nothing was said of the
affair at the time, the body being sent
to Exeter, where her parents, Mr. and
Mrs. S. Fansen, reside. At the hospi-
tal, where she died, it was said her
decease was due to asthmatic or bron-
chial trouble.

The late Mrs. Nash, however, was
only taken to Victoria Hospital two
hours before she died.
It appears now that some of the fam-
ily say that death was due to poison-
ing, caused by eating canned thimble-
berries. Certain other members of the
family were taken ill at the same time,
thereby giving rise to the idea that
Mrs. Nash was also poisoned.
She was not quite 25 years of age,
and, according to a letter sent the day
before her death to her parents in Ex-
eter, she mentioned that she had never
been in better health.

DEATH BEFORE DISGRACE.

Receiving Teller Suicide's When His
Theft Became Known.

Troy, N. Y., Sept. 10.—Arthur R.
Keefe, receiving teller for the Security
Trust Co., committed suicide at his
home here Saturday evening by drink-
ing cyanide of potassium. He lived but
a few minutes after taking the poison.
Mr. Keefe was short in his accounts
at the banking house, and it is believed
that fear of arrest and the disgrace at-
tending such action prompted him to
commit the deed.

The officials of the bank state that
Keefe was under bonds in the sum of
\$10,000, and that his irregularities will
be within these figures. The institution
will lose nothing.

Worried Over Money Loss, Suicide's.

Toronto, Sept. 10.—Worried over the
loss of some money until completely
deranged, Christopher Little, aged 57,
of 217 Dalhousie street, shot himself at
1 o'clock Sunday morning. Little end-
ed his life in the presence of his wife
and of William Thompson, son-in-law,
the latter of whom had been called to
try and quiet the aged man. Little
was a carpenter by trade and a mem-
ber of the L. O. L. and I. O. F., carry-
ing \$3,000 insurance. He leaves a
widow and two daughters. An inquest
will be held.

Dr. McLeod Pulls Revolver.

Niagara Falls, Ont., Sept. 10.—A
man from the northwest was fined \$15
and costs for pulling a revolver in the
face of a colored porter on Grand
Trunk No. 6 Saturday. He gave his
name as Dr. McLeod.

Kid Seizes Town.

Tangier, Sept. 10.—Despatches re-
ceived from Mogador says that Anloos
Kala has seized the town and batteries
and won over the Government troops.
The Jews fled to Melah.

A Police Officer's Evidence

INDIGESTION AND CONSTIPATION CURED

Mr. Alexander Gordon, a retired Police Sergeant,
of Merry Street, Motherwell, says:—"Up to two or
three years ago I enjoyed excellent health. Then my
bowels became disordered and I suffered most fearful
pain. Indigestion also attacked me and eating became
very unpleasant on account of the nauseous after-effects
and bad taste in the mouth. I also suffered from
weakness and terrible pains in the back.
I was very ill when Bileans were brought to my
notice. I decided to give them a trial. Obtaining a
supply, I was delighted to find that soon after com-
mencing the course I obtained relief. I persevered,
with the result that the constipation and back pains
were overcome, and the indigestion disappeared.
I am now as healthy as ever and can eat my food with
relish."

CHANGE OF SEASON AILMENTS.

At this time of the year the body needs toning up to meet
the demands that will be made upon it by the coming
winter. Signs of this need are headache, spells, a weak
"run down" feeling, biliousness, indigestion, etc. A short
course of Bileans will have the effect of toning up and
bracing up the whole system.

BILEANS FOR BILIOUSNESS CURE

POINTED PARAGRAPHS.

Keep away from people you dislike
and don't talk about them.

Put a hog in a parlor and he would
break out and wallow in a mudhole.

It becomes necessary occasionally for
every man to take punishment. When
your time comes don't annoy others
with your screams.

Isn't it a fact that the most success-
ful men you know are polite men?

Then doesn't it follow that if you hope
to succeed you must be polite?

When you hear a man abused be-
hind his back we do not think, "How
unpopular other people are!" but "How
we all catch it when we are not
around!"

Don't worry if you are not good
looking. You look all right to your
friends. The best looks on earth could
not make you look good to your ene-
mies, and those who are not interested
in you don't know how you look.
