WHAT STATION BEATS THIS?—There were over 11,000 barrels of apples shipped from Port Williams station during the five months ending Dec. 31st 1884; and on Wednesday of this week nearly 1,000 more went forward by the morning train. These last were shipped by the "Star Packing Co." for the English markets.

ENTERTAINMENT.—"Acadia" Lodge I. O. G. T. announces that they will give a grand Entertainment in Music Hall on Monday evening next, to consist of vocal and instrumental music, readings &c. A prominent feature is an Art Gallery, being a collection of over a hundred "rare works of art." As this is quite a novelty here it will no doubt draw a large number.

If you have not already seen these new PENCIL TABLETS at the Western Book & News Co's. go in at once, as they are going rapidly.

WOLFVILLE DIVISION.—The rain storm of Tuesday again prevented the visit from "Evangeline" and "Maple Leaf" Divisions. However, a fine programme was presented and a very pleasant evening was spent. This Division has stood for over thirty years and is now in a prosperous condition. Its membership is rapidly increasing, and it can count some of the best Musical and Literary talent in the place among its members. We understand they intend having an entertainment soon and we bespeak for them a full house.

Prof. J. P. Tuck, of the R. R. Palace Photograph Car, has placed with me for collection, all accounts due them for pictures taken in Kentville and Wolfville. All persons thus indebted will take due notice and govern themselves accordingly.

J. B. Davison, J. P.

I. O. G. T.—At a regular meeting of "Acadia" Lodge I. O. G. T. held on Saturday evening last, the following officers were installed for the ensuing quarter, by Geo. C. Johnson, Esq., Lodge Deputy:—

W. C. T.—J. L. Bishop. W. R. H. S.—Miss Kate Reid. W. L. H. S.—Miss Ida Jones. W. V. T.—Miss May Vaughan. W. Sec'y.—A. K. de Blois. W. A. S.—Miss Lizzie Higgins. W. F. S.—Chas. S. Fitch. W. Treas.—Mrs. Robertson. W. Chap.—S. L. Walker. W. Marshal.—E. C. Johnson. W. Deputy Marshal.—Miss Gertrude Fleet. W. I. G.—Geo. W. Wilson. W. O. G.—T. W. F. Harris. P. W. C. T.—R. F. Reid.

CALDWELL & MURRAY have just received a nice line of Canadian Prints in twelve patterns.

APRON AND NECKTIE.—"Maple Leaf" Division, of Greenwich, had another of their pleasant little Basket Sociables on Thursday evening last. This time it was conducted on a little different plan from the usual one. Each of the ladies who brought a basket also brought a necktie to match their aprons. These neckties were put in to envelopes and sold to the highest bidder. A good deal of fun was caused by parties hunting for aprons to match their ties and vice versa. But soon all got straightened out and fell to work eating. We kind of guess everybody enjoyed themselves and went home full. The ACADIAN presents thanks to those who looked after the welfare of the Wolfville contingent but regrets that they were not allowed to bring home the aprons and attachments as well as the ties.

People are finding out every day that the merchant who gives long time must get long prices. Caldwell & Murray sell for cash or its equivalent and the people save money by buying from them, because there are no bad debts to be made up.

W. C. C.—The Wolfville Cricket Club held their benefit according to announcement on Monday night at the Rink. A goodly number of villagers were in attendance. The Wolfville Quadrille Band played some excellent music and all present appeared to enjoy themselves. About \$14.00 will be placed to the credit of the Club after expenses are paid.

Those who are fond of first-class poultry will be well repaid if they can get a peep at Dr. Barss' "Light Brahmas." Competent judges consider this the best flock of this variety in this County, and probably in Nova Scotia. The Dr. will own nothing but strong vigorous stock, and will under no consideration sell an indifferent bird. Having by unusual care created a reputation for his "Brahmas," he is determined they "shall take no back seat" among their own variety.

The ACADIAN and the Toronto Weekly Globe for only \$1.25, in advance.

The following is a partial list of apples shipped from this County from August 1st to December 31st 1884. We are sorry we could not get the list complete.

Hantsport	100 bbls.
Avonport	60 "
Horton Landing	487 "
Grand Pre	841 "
Wolfville	3,726 "
Port Williams	11,205 "
Coldbrook	1,767 "
Cambridge	4,330 "
Berwick	10,161 "
Aylesford	4,083 "

Making a total of 36,760 "

What were shipped from Kentville, Waterville, Morden Road and Kings-ton not in this list, would probably bring the total quantity sent from this County to over 50,000 barrels.

Why pay six or seven dollars for making a suit when you can get a better fit and better made at Caldwell & Murray's for little more than the price of the cloth. Their overcoats are the best fitting in the market and wonder fully cheap. Dec 12

APPOINTMENT.

We learn as we go to press, that, through the influence of our representative, D. B. Woodworth, M. P., our genial townsman, S. C. Moore, Esq., has been appointed "Sessional Messenger" to the House of Commons, Ottawa. This is the first instance, we believe, of a King's County man being appointed to a similar position at the Capital, and shows that our M. P. has some weight with the government of the day. We can assure Mr. Woodworth that he has the hearty thanks of Mr. Moore's numerous friends for this act of favor. The appointment gives great satisfaction for Mr. Moore is a gentleman of honor, integrity and ability and has a large circle of friends. The salary is \$250 for the Session, and travelling expenses, and will last as long as the Government lasts.

We will send the ACADIAN and the *Hearthstone, Farm and Nation*, a first class monthly Agricultural Journal, for only \$1.00 per year in advance, the usual price of the *H. F. & N.* alone.

OUR PUBLIC SCHOOLS.

We are pleased to note that our Public Schools are doing so well. There is a larger attendance this winter than usual—the register showing about 175 pupils enrolled. The Principal's room is crowded, so much so, that the Trustees have been compelled to put in temporary seats and desks. A noticeable feature of the school is the large attendance of young men in the advanced department. A number from neighboring sections are attending the school, which shows in favor of the managers. We should not object to this as they all pay an admittance fee, thereby lessening the taxes of the resident rate-payers. The changes made in the building last fall work admirably. The rooms are as snug and comfortable as parlors and not a day has been lost on account of smoking chimneys and uncomfortable rooms. We congratulate the Trustees on the new order of things and hope they will not stop even here at the changes so much desired.

What is the brain but a scrap-book? If, when we are asleep some one could peep in there, what would he find? Lines from favorite poets, stray bits of tunes and snatches from songs, melodies from operas, sentences from books, strange, meaningless dates, recollections of childhood, vague and gradually growing faint, moments of perfect happiness, hours of despair and misery. The first kiss of childhood lovers, the first parting of bosom friends, the word of praise or the word of blame of a fond mother, pictures of men and women, hopes and dreams that came to nothing, unrequited kindnesses, gratitude for favors, quarrels and reconciliations, old jokes, and through them all the thread of one deep and enduring passion for some one man or woman that may have been a misery or a delight.—*San Francisco Chronicle.*

We will wager a year's subscription that a 25-cent package of Sheridan's Condition Powders contains more ingredients and cost more money than a bushel of any kind put up in large 25c packs. Sheridan's powders are absolutely pure.

An educated man stands, as it were, in the midst of a boundless arsenal and magazine fitted with all the engines which human skill has been able to devise from the earliest times; and he works accordingly with a strength borrowed from all past ages. How different is the state of him who stands on the outside of that storehouse and feels that its gates must be stormed, or remain forever closed against him! —*Carlyle.*

It is claimed that Johnson's Anodyne Liniment is almost infallible in the cure of diphtheria, pneumonia, influenza, bronchitis, congestion of the lungs, and hard dry coughs. This may all be true. We know it will prevent diphtheria and that it will cure the croup instantly.

The Rev. Dr. Hill, Rector of St. Paul's, Halifax, writes, "I think it but fair that I should say publicly what I have so often said privately, that EAGAR'S PHOSPHORINE has been the means of restoring to health a friend of mine who was in an advanced state of CONSUMPTION."

We are now furnishing Letter and Note Heads, Envelopes (cornered or addressed), Bill Heads, Counter Heads, Statements, Business Cards, Shipping Tags, and all kinds of plain and ornamental printing at extremely low prices. Samples and prices furnished on application.

Found! a Plum Tree that will not Black Knot!

The **Masters Plum Tree** has stood the test 40 years in Kentville, King's County, Nova Scotia. Chas. A. Masters, of Kentville, found this tree growing on lands now owned by Judge G. A. Blanchard forty years ago, and removed the tree to his garden in the village, where it now stands a healthy bearing tree, and is now owned by me. There are scores of trees throughout the village in bearing from 4 to 20 years old which bear every year, and not a vestige of black knot appears on one of them. The tree is an annual bearer of rapid growth, growing tall not spreading. The Plum is quite large, purple color, and of excellent quality. It is the best preserving plum grown, and sells higher than any plum brought into the market. Last year, while the crop was immense, this plum readily brought \$3.00 per bushel, \$1.00 more than any other variety offered for sale. We have several hundred first class trees to offer for the spring planting and intend to plant 6,000 root grafts here. That this is the best and most profitable Plum Tree to plant that is grown in the Dominion of Canada, and that it will not black knot we refer the planters of this delicious fruit to F. S. Masters, Barrister, of whom we purchased the original tree; also to Chas. A. Masters, G. A. Blanchard (Judge), J. R. Blanchard, H. B. Webster, M. D., J. E. Mullett, M. D., Ocho Eaton, John Byrne, T. E. Smith, J. A. Shaw.
