

A Popular Plan

as results already show

Many letters are arriving from widely-scattered sections of Canada and Newfoundland asking for copies of our Partial Payment Plan booklet. These bear out our belief from the start that the new plan would prove popular.

Some orders have been entered, but of course it's too early to expect more, as it's only during the past ten days that we have been sending out the booklet.

It is the strong interest as manifested in these letters that is especially gratifying, containing, as they do, assurances that our Partial Payment Plan is something the public really wanted.

WILLIAM FREW.

"Molassine" Meal

is as useful in Summer as in Winter.

"MOLASSINE" MEAL helps all animals to get greater nourishment out of their other foods and digest them.

Worms cannot exist in animals fed on "MOLASSINE" MEAL. It is therefore a necessity during the grazing season.

Good for: HORSES SHEEP
COWS CALVES
OXEN LAMBS
PIGS POULTRY

Try "MOLASSINE" DOG CAKES on your Dog.

Good Old English Quality

And North American Style

In our Tailoring we couple the smarter style of the Western Hemisphere with the sterling quality of the English Cloth.

Good judges say that the "thoroughbred look" of CHAPLIN Clothes is intuitively recognized.

This season we have the real high-steppers and the most aristocratic curves and designs in our Summer Suit Models.

CHAPLIN,

THE STORE THAT PLEASES.

"SCOTIA" DAIRY MEAL.

We have received another large shipment of this celebrated Cattle Feed.

In Ayrshire, Scotland, where the production of milk and cheese has been brought to the highest point of development, "Scotia" Dairy Meal is consumed in thousands of tons. The Meal is so balanced as to keep up the condition of the cow while increasing the flow of milk, at the same time adding to the butter fat contents.

DIRECTIONS FOR USE.

Start using 8 pounds per day; give 4 pounds in the morning and 4 pounds in the evening.
