

Doctor Advised Operation As Only Cure for Piles

Subjected to Use of Knife and Cure was Effectuated by Use of Dr. Chase's Ointment.

It is the affidavit of a well-known doctor, who was cured of hemorrhoids some years ago by using Dr. Chase's Ointment. This doctor could do nothing for him and recommended a surgical operation. The only means of cure. Luckily his wife had heard about Dr. Chase's ointment and complete cure resulted.

THE VERDUN FIGHT. PARIS, March 5. It is stated semi-officially that the battle of Verdun continued yesterday throughout the day with the same intensity and without causing any change in the respective positions of the opposing armies. Fighting is still going on for the definite possession of the village of Douaumont. The situation as a result of this the second phase of the German offensive is regarded as altogether different from

Acids in Stomach Sour the Food and Cause Indigestion

"Pape's Diapepsin" fixes sour, gassy, upset stomachs in five minutes.

If what you just ate is souring on your stomach or lies like a lump of lead, refusing to digest, or you belch gas and eructate sour, undigested food, or have a feeling of dizziness, heartburn, fullness, nausea, bad taste in mouth and stomach, headache, you can surely get relief in five minutes. Ask your pharmacist to show you the formula, plainly printed on these fifty-cent cases of Pape's Diapepsin, then you will understand why dyspepsia, troubles of all kinds must go, and why it relieves sour, out-of-order stomachs or indigestion in five minutes. "Pape's Diapepsin" is harmless; tastes like candy, though each dose will digest and prepare for assimilation into the blood all the food you eat; besides, it makes you go to the table with a healthy appetite; but what will please you most, is that you will feel that your stomach and intestines are clean and fresh, and you will not need to resort to laxatives or liver pills for biliousness or constipation.

This city will have many "Pape's Diapepsin" cranks as some people will call them, but you will be enthusiastic about this splendid stomach preparation, too, if you ever take it for indigestion, gases, heartburn, sourness, dyspepsia, or any stomach misery. Get some now, this minute, and rid yourself of stomach misery and indigestion in five minutes.

LOOKING FOR WORK

Everywhere men complain about work; even boys and girls in school or business find work tedious and irksome, but it isn't the work half so much as their own lack of physical strength that makes it hard.

Rich blood, strong lungs and healthy digestion make work pleasurable in business, in school or even household, and if those who are easily tired—who are not sick, but weak and nervous—would just take Scott's Emulsion for one month and let its pure concentrated food make richer blood to pulsate through every artery and vein—let it build a structure of healthy tissue and give you vigorous strength—you would find work easy and would look for more. Insist on Scott's.
