Harbon Grace, Newfoundland,
December 9th, 1871.

Jas. I. Frillows, Esq.—Dear Sir:—We are receiving orders almost daily from the Outports for your invaluable Syrup of Hypophosphites, and the sale is steadily increasing. I firmly believe it has done more good than any medicine yet discovered, in the cureof consumption, bronchitis, asthma, whooping cough and kindred diseases. It is the only medicine we have which cures these diseases by strengthening the nervous system; and it is also what we call a sound chemical preparation, I predict for it a more extended demand than any other remedy in a xistence.

Yours very truly,
W. H. Thompson.
