

knowledge of the sums having been made in the usual authorized channel of the church. What seems to have led Mr. Mitchell astray was that the agent of the church had not in this instance used some usual formality of acknowledgment. Still it was universally felt in the Assembly that before making public any such a statement, Mr. Mitchell should have sought an explanation from Mr. Lowry, who would doubtless have speedily cleared up all doubt regarding it. As it is, an unfortunate scandal has been raised, and the accused naturally enough stung to the quick, retorted on the accuser that the charges were "deliberate falsehood." This again reacted on the accuser, so that when the Assembly came to adjudge on the case, neither party were in the most amiable of moods to pleasantly withdraw their respective statements and counter-statements. Indeed, Mr. Lowry seemed to hint that ulterior proceedings in the shape of a law-suit might be the result, to originate which seemingly he had been urged by some over zealous friend. But the Assembly appeared so ashamed of the whole matter that they unanimously resolved to expunge all reference to it from their minutes, and although Mr. Lowry craved extracts, it is somewhat difficult in the face of the resolution of the Assembly to know what there can be extracted.

OUT-SIDE SPORTS.
BASE BALL.
On Wednesday, on the Union Grounds the third game of the championship series between the Brooklyn Atlantics and the Philadelphia Athletics took place. Greatly to the surprise of everybody the Brooklyn boys went in and batted both McBride and Fisher's pitching all over the field. Indeed, so heavily did they hit that the Athletics were completely demoralized, and meeting on their part became the order of the day. The score: Athletics - 1 2 0 1 0 0 0 0 4. Atlantics - 7 0 2 2 2 1 1 0-13.
An exciting contest took place on the same day in Washington between Washington's and Resolutes, resulting in a victory for the former by a score of 7 to 5.
The match yesterday afternoon in Rockwood between the Guelph Independents and the Rockwood Dufferin's ended in favor of the former by a score of 52 to 24. The Guelph boys return thanks for the kindness received at the hands of the Rockwood club - they having acted like gentlemen all through the game, and treated them to a supper at Cumming's hotel in the evening. A return match is to be played in Guelph shortly, when the same feeling will be reciprocated. Mr. McMillan, of Rockwood, acted as umpire in a very satisfactory manner.
A very close and exciting game was played between the Georgetown Academy and Scotch Block club yesterday, which resulted in favor of the latter by a score of 46 to 42.
The Lightfoots of Palmerston and the Beavers of Clifford had a game on Saturday when the Lightfoots got badly beat. Score 108 to 37. That's an awful score! We have clubs down here that could play six games and not make that many runs.
Here is something better: The Second nine of the Elora Athletics and the High School nine of that village had a game on Friday last, resulting in the defeat of the latter by a score of 16 to 23.
A match game was played on Saturday between the Harrison and Worcester junior clubs. Worcester beat Harrison by a score of 58, with one innings to spare, to 13.
A friendly game will be played this evening between the Atlantics and Blue Stockings. Five innings each.
The Mutuals and Athletics play to-day on the Brooklyn grounds.
CRICKET.
The Brantford cricketers were defeated by Princeton on Wednesday by 6 runs.
LACROSSE.
The Excelsors of Brantford, and the Elora club are to meet on the base ball grounds this afternoon to virtually decide the championship of the west.

PHOSPHOROUS, Lime, Iron, Calcium or Peruvian Bark Dr. Wheeler's Compound Elixir of Phosphates and Calcium combines these valuable remedies in the form of a delicious cordial. Phosphorous, a brain food; Lime, an excitant of nutrition; Iron, a blood maker; and Calcium or Peruvian Bark, the only specific for chills and fevers, and all conditions of nervous prostration and general debility. Phosphates are the only agents known that act immediately on the stomach, perfecting the digestion and assimilation of food, and determining the formation of pure blood. No combination ever discovered is so remarkable in building up constitutions run down with old complaints that have hitherto resisted all ordinary methods of treatment. Sold by all druggists.

Iron in the Blood

MAKES THE WEAK STRONG.

The Peruvian Syrup, a Protected and Sold in the Provinces of Iron, is so combined as to have the character of an aliment, as easily digested and assimilated with the blood as the simplest food. It increases the vitality of Nature's Own Vitalizing Agent, Iron in the blood, and cures "a thousand ills," simply by Toning up, Invigorating and Vitalizing the System. The enriched and vitalized blood permeates every part of the body, repairing damage, and waste, searching out and removing disease to feed upon.

This is the secret of its wonderful success of this remedy in curing Dyspepsia, Liver Complaint, Dropsy, Chronic Diarrhoea, Boils, Nervous Affections, Chills and Fevers, Humors, Loss of Constitutional Vigor, Diseases of the Kidneys and Bladder, Female Complaints, and all diseases originating in a bad state of the blood, or accompanied by debility or a low state of the system. Being free from Alcohol, in any form, its energizing effects are not followed by corresponding reactions, but are permanent, infusing strength, vigor, and new life into all parts of the system, and building up an Iron Constitution.

Thousands have been changed by the use of this remedy, from weak, sickly, suffering creatures, to strong, healthy, and happy men and women; and invalids cannot reasonably hesitate to give it a trial.

See that each bottle has **PERUVIAN SYRUP** blown in the glass. Pamphlets Free.
